Songs From Ragged Streets:

Street Songs Daniel Karlin, 2018-11-15 This book based on the Clarendon Lectures for 2016 is about the use made by poets and novelists of street songs and cries Karlin begins with the London street vendor's cry of Cherry ripe as it occurs in poems from the sixteenth to the twentieth century the Cries of London and Paris exemplify the fascination of this urban art to writers of every period Focusing on nineteenth and early twentieth century writers the book traces the theme in works by William Wordsworth Elizabeth Barrett Browning Robert Browning Walt Whitman George Gissing James Joyce Virginia Woolf and Marcel Proust As well as street cries these writers incorporate ballads folk songs religious and political songs and songs of their own invention into crucial scenes and the singers themselves range from a one legged beggar in Dublin to a famous painter in fifteenth century Florence The book concludes with the beautiful and unlikely song of a knife grinder s wheel Throughout the book Karlin emphasizes the rich complexity of his subject The street singer may be figured as an urban Orpheus enchanting the crowd and possessed of magical powers of healing and redemption but the barbaric din of the modern city is never far away and the poet who identifies with Orpheus may also dread his fate And the fugitive transient nature of song offers writers a challenge to their more structured art Overheard in fragments teasing ungraspable the street Catalog of Copyright Entries. jazz and gospel continued to evolve and rhythm and blues and the new rock and roll were also popular during this time Music is not created without being influenced by the political events and societal changes of its time and the Music of the Postwar Era is no exception includes combined musical charts for the years 1945 1959 approximately 20 black and white images of the singers and musicians who represent the era s music Western Magazine ,1922 Bing Crosby's Last Song Lester Goran, 2015-03-17 A novel by the author of The New York Times Notable Book Tales from the Irish Club It is June 1968 Robert Kennedy has just been murdered the streets are simmering with discontent and the Irish community of Oakland Park in Pittsburgh is being swept away by change Daly Racklin becomes the reluctant leader of a dying neighborhood culture and people He is at once a man torn by his father s omnipotent shadow and the struggles of his own heart and as his elevated position brings him from one home to another he increasingly discovers the importance of what he sees disappearing Bing Crosby's Last Song is a hilarious touching heartwrenching story of survival and love a community's demise and a wanderer's rebirth Full of barroom lore hard bitten wisdom wry humor and faith tempered by skepticism this novel will delight readers of William Kennedy and Frank McCourt The Illustrated London News, 1846 One Long River of Song Brian Doyle, 2019-12-03 From a born storyteller Seattle Times this playful and moving bestselling book of essays invites us into the miraculous and transcendent moments of everyday life When Brian Doyle passed away at the age of sixty after a bout with brain cancer he left behind a cult like following of devoted readers who regard his writing as one of the best kept secrets of the twenty first century Doyle writes with a delightful sense of wonder about the sanctity of everyday things and about love and connection in all their forms spiritual love brotherly love romantic love and even the love of a nine foot sturgeon At a moment when the world can sometimes feel darker than ever Doyle's writing which constantly evokes the humor and even bliss that life affords is a balm His essays manage to find again and again exquisite beauty in the quotidian whether it s the awe of a child the first time she hears a river or a husband s whiskers that a grieving widow misses seeing in her sink every morning Through Doyle's eyes nothing is dull David James Duncan sums up Doyle's sensibilities best in his introduction to the collection Brian Doyle lived the pleasure of bearing daily witness to quiet glories hidden in people places and creatures of little or no size renown or commercial value and he brought inimitably playful or soaring or aching or heartfelt language to his tellings A life s work One Long River of Song invites readers to experience joy and wonder in ordinary moments that become under Doyle's rapturous and exuberant gaze extraordinary Folk Song in England Steve Roud, 2017-08-15 In Victorian times England was famously dubbed the land without music but one of the great musical discoveries of the early twentieth century was that England had a vital heritage of folk song and music which was easily good enough to stand comparison with those of other parts of Britain and overseas Cecil Sharp Ralph Vaughan Williams Percy Grainger and a number of other enthusiasts gathered a huge harvest of songs and tunes which we can study and enjoy at our leisure But after over a century of collection and discussion publication and performance there are still many things we don't know about

traditional song Where did the songs come from Who sang them where when and why What part did singing play in the lives of the communities in which the songs thrived More importantly have the pioneer collectors restricted definitions and narrow focus hindered or helped our understanding This is the first book for many years to investigate the wider social history of traditional song in England and draws on a wide range of sources to answer these questions and many more the Winns: The Spies of Gerander Frances Watts, 2013-04-23 After discovering their parents are still alive and their homeland of Gerander is in danger mouse triplets Alistair Alice and Alex and their friend Tibby Rose have joined the underground rebel organization FIG In quick measure FIG orders Alex and Alice go undercover in Souris to infiltrate Queen Eugenia s palace while Alistair and Tibby Rose are sent to discover Gerander's secret paths which may be the key Gerandans need to triumph and for the triplets to rescue their parents Enemy spies attacking eagles and blizzarding mountaintops seem all the more challenging when there is a lack of good cheese available but these four young mice respond with endless creativity and determination Cheeky and entertaining The Spies of Gerander is an action filled seguel to the first book in The Song of the Winns series The Secret of the Ginger Mice Street Literature of the Long Nineteenth Century David Atkinson, Steve Roud, 2017-08-21 For centuries street literature was the main cheap reading material of the working classes broadsides chapbooks songsters prints engravings and other forms of print produced specifically to suit their taste and cheap enough for even the poor to buy Starting in the sixteenth century but at its chaotic and flamboyant peak in the nineteenth street literature was on sale everywhere in urban streets and alleyways at country fairs and markets at major sporting events and holiday gatherings and under the gallows at public executions For this very reason it was often despised and denigrated by the educated classes but remained enduringly popular with the ordinary people Anything and everything was grist to the printers mill if it would sell A penny could buy you a celebrity scandal a report of a gruesome murder the last dying speech of a condemned criminal wonder tales riddles and conundrums a moral tale of religious danger and redemption a comic tale of drunken husbands and shrewish wives a temperance tract or an ode to beer a satire on dandies an alphabet or reed a ma daisy reading made easy to teach your children an illustrated chapbook of nursery rhymes or the adventures of Robin Hood and Jack the Giant Killer Street literature long held its own by catering directly for the ordinary people at a price they could afford but by the end of the Victorian era it was in terminal decline and was rapidly being replaced by a host of new printed materials in the shape of cheap newspapers and magazines penny dreadful novels music hall songbooks and so on all aimed squarely at the burgeoning mass market Fascinating today for the unique light it shines on the lives of the ordinary people of the age street literature has long been neglected as a historical resource and this collection of essays is the first general book on the trade for over forty years **The Encyclopedia of Best Films** Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five
