**American Folk Songs** Norman Cohen, 2008-09-30 This state by state collection of folksongs describes the history society culture and events characteristic of all fifty states Unlike all other state folksong collections this one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state The topics range from the major historical events such as the Boston Tea Party the attack on Fort Sumter and the California Gold Rush to regionally important events such as disasters and murders labor problems occupational songs ethnic conflicts Some of the songs will be widely recognized such as Casey Jones Marching Through Georgia or Sweet Betsy from Pike Others less familiar have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States their loves labors and losses and their responses to events The collection is organized by regions starting with New England and ending with the states bordering the Pacific Ocean and by states within each region For each state there are from four to fifteen songs presented with an average of 10 songs per state For each song a full text is reprinted followed by discussion of the song in its historical context References to available recordings and other versions are given Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories These songs in a sense are history writ small Includes Away Down East The Old Granite State Connecticut The Virginian Maid s Lament Carry Me Back to Old Virginny I m Going Back to North Carolina Shut up in Cold Creek Mine Ain t God Good to Iowa Dakota Land Dear Prairie Home Cheyenne Boys I m off for California and others [Traditional American Folk Songs from the Anne and Frank Warner Collection](#) Anne Warner, 2025-04-15 Starting in the late 1930s writer Anne and her husband and musician Frank Warner traveled along the Eastern Seaboard from the Adirondacks to the Outer Banks of North Carolina collecting folk songs they would perform document research and lecture on This decade spanning work led to the Warners development of a nearly one thousand song archive one of the defining collections of American folk music From that treasured archive Traditional American Folk Songs from the Anne and Frank Warner Collection brings together nearly 200 of the Warners most beloved songs with a detailed history behind the music and lyrics The book is uniquely organized by region and singer allowing each of the voices to speak to the places they called home and the songs that could be heard there Now updated with new photos Traditional American Folk Songs is the definitive collection from the preeminent collectors of East Coast American folk music **Focus On: 100 Most Popular American Rock Guitarists** Wikipedia contributors,

[America's Folklorist](#) Lawrence R. Rodgers, 2014-10-20 Folklorist writer editor regionalist cultural activist Benjamin Albert Botkin 1901 1975 was an American intellectual who made a mark on the twentieth century even though most people may be unaware of it This book the first to reevaluate the legacy of Botkin in the history of American culture celebrates his centenary through a collection of writings that assess his influence on scholarship and the American scene Through his work with the

Federal Writers Project during the New Deal the Writers Unit of the Library of Congress Project and the Archive of American Folksong Botkin did more to collect and disseminate the nation's folk cultural heritage than any other individual in the twentieth century This volume focuses on Botkin's eclectic but interrelated concerns work and vision and offers a detailed sense of his life milieu influences and long term contributions Just as Botkin boldly cut across the boundaries between high and low popular and folk this book brings together reflections that range from the historical to the philosophical to the disarmingly personal One group of articles looks at his career and includes the first extended analysis of Botkin's poetry another probes the fruitful relationships Botkin had with leading musicologists composers poets and intellectuals of his day This is also the first book to bring together a collection of Botkin's best known writings giving readers an opportunity to appreciate his wide ranging mind and clear often memorable prose For Botkin the blurring of art and science literature and folklore was not just a philosophy but a way of life This book reflects that life and invites fans and those new to Botkin to appraise his lasting contributions

**California Gold** Catherine Hiebert Kerst, Library of Congress, 2024-04-02 California Gold offers a compelling cultural snapshot of a diverse California during the 1930s at the height of the New Deal drawing on the career of folk music collector Sidney Robertson and the musical culture of often unheard voices Robertson an intrepid young woman armed only with a map her notebooks and the recording equipment of the time proposed and directed a New Deal initiative the WPA California Folk Music Project designed to survey musical traditions from a wide range of English speaking and immigrant communities in Northern California In California Gold Catherine Hiebert Kerst explores Robertson's distinctive and modern approach to fieldwork and examines the numerous ethnographic documentary materials she generated with WPA project staff to capture a cross section of the music that people were actively performing in their communities Kerst highlights some of the most notable songs images and ephemera of the collection capturing and contextualizing the diverse musical traditions that California immigrant communities performed during the New Deal era Kerst also foregrounds the ethnographic insights and accomplishments of a significant woman folk music collector who has received less attention than she deserves
