Music at Michigan, 1988 *The International Who's Who in Popular Music 2002* Andy Gregory, 2002 The International Who's Who in Popular Music 2002 offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry providing full biographical details on pop rock folk jazz dance world and country artists. Over 5 000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever possible, information is obtained directly from the entrants to ensure accuracy and reliability. Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music.

Music Since 1900 Laura Diane Kuhn, 2001 This 6th edition brings music of the 20th century to a close with coverage of years not included in the 5th edition, 1992-2000. Entries on roughly 1 000 more composers, performers, musicologists, critics and opera directors offer critical commentary, notable premieres and debuts, deaths of significant figures as well as important festivals and concerts around the world.

Music Since 1900 Nicolas Slonimsky, 1994 This indispensable music reference provides a day by day account of events and accomplishments in the world of music since the turn of the century. This new edition combines the 1971 fourth edition and the 1986 Supplement and adds 500 new entries covering the years 1986-1991. It provides a complete history of this century's music in one volume. Includes a dictionary of terms and index.

All Music Guide Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories, provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre.

Dictionary of American Classical Composers Neil Butterworth, 2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today. Covering all classical styles, it offers the most comprehensive overview of key composers in the United States available. Entries include basic biographical information and critical analysis of each composer's key works and ideas. Entries also include worklists and bibliographic information. Whenever possible, the entries will have been checked by the composers themselves to assure greatest possible accuracy. This new edition completely updated and expanded from the 1984 edition, also includes over 200 historic photographs.

The Oxford Dictionary of Music Michael Kennedy, Joyce Kennedy, 2013-08-15 Now available in paperback and with over 10 000 entries, the Oxford Dictionary of Music previously the Concise Oxford Dictionary of Music offers broad coverage of a wide range of musical categories spanning many eras, including composers, librettists, singers, orchestras, important ballets and operas, and musical instruments and their history. The Oxford Dictionary of Music is the most up to date and accessible dictionary of musical terms available and an essential point of reference for music students, teachers, lecturers, professional musicians as well as music enthusiasts.
