Club Date Musicians Bruce A. MacLeod, 1993 New York area club date musicians play from memory often drawing on repertoires spanning fifty years of popular music to produce arrangements on the spot Impressive as their skills are though they occupy an ambivalent position their art must be background never overshadowing the event whether a wedding a bar mitzvah or a debutante ball Their artistic and musical skills finely tuned for club date gigs are rarely even noticed much less remarked upon by their audiences Club Date Musicians is a pioneering ethnomusicological portrait focusing on the three hundred to five hundred New York musicians whose primary income is derived from playing private parties Interviewing more than a hundred musicians and observing more than forty performances Bruce MacLeod lets the musicians speak for

themselves MacLeod examines the relation of audience to performer the ensembles social and musical organization the musicians economic and social status and the process of change within the musical culture The reader will discover why New York club date musicians don't use written music how rock and roll has affected the occupation and why the stereotypical picture of the bored inept club date performer is unfair *Continuum Encyclopedia of Popular Music of the World, Volume 2* John Shepherd, David Horn, Dave Laing, Paul Oliver, Peter Wicke, 2003-05-08 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media industry and technology and its relationship to popular music In 500 entries by 130 contributors from around the world the volume explores the topic in two parts Part I Social and Cultural Dimensions covers the social phenomena of relevance to the practice of popular music and Part II The Industry covers all aspects of the popular music industry such as copyright instrumental manufacture management and marketing record corporations studios companies and labels Entries include bibliographies discographies and filmographies and an extensive index is provided
