**Shakespeare's Global Sonnets** Jane Kingsley-Smith,W. Reginald Rampone Jr.,2023-02-22 This edited collection brings together scholars from across the world including France Italy Germany Hungary Japan the USA and India to offer a truly international perspective on the global reception of Shakespeare s Sonnets from the 18th century to the present Global Shakespeare has never been so local and familiar as it is today The translation appropriation and teaching of Shakespeare s plays across the world have been the subject of much important recent work in Shakespeare studies as have the ethics of

Shakespeare's globalization Within this discussion however the Sonnets are often overlooked This book offers a new global history of the Sonnets including the first substantial study of their translation and of their performance in theatre music and film It will appeal to anyone interested in the reception of the Sonnets and of Shakespeare across the world *The War Behind the Wire* John Lewis-Stempel, 2014-01-30 The last untold story of the First World War the fortunes and fates of 170 000 British soldiers captured by the enemy On capture British officers and men were routinely told by the Germans For you the war is over Nothing could be further from the truth British Prisoners of War merely exchanged one barbed wire battleground for another In the camps the war was eternal There was the war against the German military fought with everything from taunting humour to outright sabotage with a literal spanner put in the works of the factories and salt mines prisoners were forced to slave in British PoWs also fought a valiant war against the conditions in which they were mired They battled starvation disease Prussian cruelties boredom and their own inner demons And of course they escaped Then escaped again No less than 29 officers at Holzminden camp in 1918 burrowed their way out via a tunnel dug with a chisel and trowel in the Great Escape of the Great War It was war with heart breaking consequences more than 12 000 PoWs died many of them murdered to be buried in shallow unmarked graves Using contemporary records from prisoners diaries to letters home to poetry John Lewis Stempel reveals the death life and above all the glory of Britain's warriors behind the wire For it was in the PoW camps far from the blasted trenches that the true spirit of the Tommy was exemplified **Annual Report of the President and the Treasurer** Princeton University, 1916 The United States Catalog, 1921 The English Catalogue of Books ... Sampson Low, 1920 **War and Displacement in the Twentieth Century** Sandra Barkhof, Angela K. Smith, 2014-03-14 Human displacement has always been a consequence of war written into the myths and histories of centuries of warfare However the global conflicts of the twentieth century brought displacement to civilizations on an unprecedented scale as the two World Wars shifted participants around the globe Although driven by political disputes between European powers the consequences of Empire ensured that Europe could not contain them Soldiers traversed continents and civilians often followed them or found themselves living in territories ruled by unexpected invaders Both wars saw fighting in Europe Africa the Middle East and the Far East and few nations remained neutral Both wars saw the mass upheaval of civilian populations as a consequence of the fighting Displacements were geographical cultural and psychological they were based on nationality sex gender or age They produced an astonishing range of human experience recorded by the participants in different ways This book brings together a collection of interdisciplinary works by scholars who are currently producing some of the most innovative and influential work on the subject of displacement in war in order to share their knowledge and interpretations of historical and literary sources The collection unites historians and literary scholars in addressing the issues of war and displacement from multiple angles Contributors draw on a wealth of primary source materials and resources including archives from across the world military records medical records films memoirs diaries and

letters both published and private and fictional interpretations of experience      *The Bookseller* ,1920 Official organ of the
