

# SOOTHSAYERS OF THE SECOND ADVENT

**WILLIAM M. ALNOR**

A compelling-exposé of doomsday-dating,  
pin-the-tail-on-the-Antichrist, and other non-  
biblical games that Christians play

Foreword by Russell Chandler of the Los Angeles Times

# Soothsayers Of The Second Advent

**Robert C. Fuller**

## **Soothsayers Of The Second Advent:**

**Soothsayers of the Second Advent** William M. Alnor, 1989 Refutes the statements made by others predicting the time of the Second Coming     *A Second Look at the Second Coming* T. L. Frazier, 2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days     *The 8 Great Debates of Bible Prophecy* Ron Rhodes, 2014-08-01 You ve heard about the tribulation millennium rapture and antichrist but you may wonder what s all the debating about Do most Christians agree on the big issues And what about other topics dispensationalism interpretive views timing of events are they too complex for most folks to understand Not at all In this concise and easy to read review respected Bible teacher Ron Rhodes identifies eight of the most important end times discussions Avoiding complex arguments he highlights the most important biblical passages summarizes a few of the most popular interpretations and provides succinct conclusions He demonstrates that the Bible s end times teaching is intended to be a blessing for every believer As you compare and contrast the various viewpoints you ll be able to enjoy constructive conversations with other Christians and support your own informed convictions You ll also enrich your reading of the Scriptures and see how passages fit together in God s great plan for the ages     [Naming the Antichrist](#) Robert C. Fuller, 1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In *Naming the Antichrist* Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of *The Late Great Planet Earth* with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community

the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life

**The Greening of Protestant Thought** Robert Booth Fowler,2000-11-09 The Greening of Protestant Thought traces the increasing influence of environmentalism on American Protestantism since the first Earth Day which took place in 1970 Robert Booth Fowler explores the extent to which ecological concerns permeate Protestant thought and examines contemporary controversies within and between mainline and fundamentalist Protestantism over the Bible s teachings about the environment Fowler explores the historical roots of environmentalism in Protestant thought including debates over God s relationship to nature and the significance of the current environmental crisis for the history of Christianity Although he argues that mainline Protestantism is becoming increasingly green he also examines the theological basis for many fundamentalists hostility toward the environmental movement In addition Fowler considers Protestantism s policy agendas for environmental change as well as the impact on mainline Protestant thinking of modern eco theologies process and creation theologies and ecofeminism

**Apocalyptic Fever** Richard G. Kyle,2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more

**History of the Second Advent Message and Mission, Doctrine and People** Isaac Cummings Wellcome,1874 *The One Year Christian History* E. Michael Rusten,Sharon O. Rusten,2003 What happened on this date in church history From ancient Rome to the twenty first century from peasants to presidents from missionaries to martyrs this book shows how God does extraordinary things through ordinary people every day of the year Each story appears on the day and month that it occurred and includes questions for reflection and a related Scripture verse

**Waiting for Antichrist** Damian Thompson,2005-04-21 How can people believe that the supernatural end of the world

lies just around the corner when so far every such prediction has been proved wrong Some scholars argue that millenarians are psychologically disturbed others maintain that their dreams of paradise on earth reflect a nascent political awareness In this book Damian Thompson looks at the members of one religious group with a strong apocalyptic tradition Kensington Temple a large Pentecostal church in London and attempts to understand how they reconcile doctrines of the end of the world with the demands of their everyday lives He asks such questions as Who is making the argument that the world is about to end and on whose authority How is it communicated Which members are persuaded by it What are the practical consequences for them How do they rationalize their position Based on extensive interviews as well as a survey of almost 3000 members Thompson finds existing explanations of apocalyptic belief inadequate Although they profess allegiance to millennial doctrine he discovers members actually assign a low priority to the End Times The history of millenarianism is littered with disappointment Thompson notes and the lesson has largely been learned predictive millenarianism with its risky time specific predictions of the end has been substantially supplanted by explanatory millenarianism which uses apocalyptic narratives to explain features of the contemporary world Most apocalyptic believers he finds are comfortable with these lower cost explanatory narratives that do not require them to sell their houses and head for the hills He does uncover a handful of textbook millenarians in the congregation people who are confident that Jesus will return in their lifetimes He concludes that their atypical beliefs were influenced by their conversion experiences individual psychology and degree of subcultural immersion Although much has been written about apocalyptic belief Thompson's empirically based study is unprecedented It constitutes an important step forward in our understanding of this puzzling feature of contemporary religious life

**The Cost of Deception** John Williams, 2001 The author contends that religious modern day hoaxes erode the credibility of Christians in a world where Christian influence is being met by increasing skepticism He dispels many of the common urban legends and myths popular with Christians as well as other issues World Christian Trends

Ad30-ad2200 (hb), 2001 *Prophecies and Soothsayers* Stuart A. Kallen, 2011-08 Since time immemorial prophets and soothsayers have attempted to predict earthshaking events and imminent disasters *Prophecies and Soothsayers* takes a fascinating look at the work of ancient astrologers Biblical prophets modern day psychics and failed prophecies throughout the ages **Awaiting the Millennium** Richard G. Kyle, 1998 *The Last Days Are Here Again* serves as a comprehensive source regarding movements related to the end times This handy guide also examines ideas espoused by fringe groups such as the Heaven's Gate cult and shows how end time thinking has been adapted to fit nearly every time period

**Eschatology and Ecology** Paul Hang-Sik Cho, 2011-05-01 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the otherworldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American

missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge **Jesus and the End Times** Ron Rhodes,2019-02-26

The One Source You Can Count On for Facts About the Last Days You also must be ready all the time for the Son of Man will come when least expected Matthew 24 44 There is no shortage of writings about the last days often full of speculation and sensationalism Where can we go for information we can trust Join Bible scholar Ron Rhodes for an in depth look at what we know to be certain about the last days based on key teachings directly from Jesus You ll learn what the Lord Himself said about the rapture the tribulation period the second coming the future judgment the millennial kingdom and more So are you ready for what is to come Enjoy a fascinating survey of the end times through the words of Jesus Himself and gain the very best of what you can know about God s plan for the future **Revelation Unsealed** Donald A. Salerno Jr,2004 Finally a

book which simplistically insightfully and systematically presents an integrated concrete overview of the 22 chapters or 404 verses of the book of Revelation Revelation Unsealed is unique in a number of major areas It is the first book to approach the text of Revelation from what is termed the Pre Wrath Rapture perspective This is the hotly debated view that the church will enter the Seventieth Week undergo the great tribulation of the Antichrist and be gathered off the earth before the wrath of God unfolds This view is presented in a logical scenario which is then placed within the overall context of the Apocalypse Also contained is an entirely fresh biblical perspective of the emergence of the Antichrist Additionally this book also fully covers the relevance of world events the amazing track record of biblical prophecy the fulfillment of the seven religious feast of Israel the battle of Armageddon and the Millennial Kingdom of Jesus Christ All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined Its contents will challenge both the newest Christian and the seasoned biblical scholar *Christian Zionism*

Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water

since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published. You and I see eye to eye on this issue. Yours is a true prophetic voice so badly needed in the current prophecy frenzy. And when this mania also affects national and international policy the danger takes on larger proportions. Professor Paul Maier. Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian-Israeli conflict. Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals. The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ. Dr. Donald Wagner. This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance. It provides a fascinating survey of the history of Christian Zionism and an in-depth analysis of the theology of this highly important and influential movement. Rabbi Professor Dan Cohn-Sherbok. Last Days Madness: Obsession of the Modern Church Gary DeMar, 1999-08. Last Days Madness explains the most difficult prophetic passages clearly and concisely. Gary DeMar sheds the light on Daniel 7:13-14, 9:24-27, Matthew 16:27-28, 2 Thessalonians 2:2, Peter 3:3-13 and dozens more. He identifies the Beast, the Antichrist, and the Man of Lawlessness and clears the haze regarding Armageddon, the rebuilding of the temple, the meaning of 666 and much more. This ground-breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness. Arguing the Apocalypse Stephen D. O'Leary, 1998. Armageddon and a map of millennial consciousness. **The Paperback Apocalypse** Robert M. Price, 2011-04-26. The great popularity of the Left Behind novels attests to the strong appeal of apocalyptic beliefs in many conservative Christian communities. Biblical scholar Price traces the origin and scriptural basis for such beliefs as the Rapture, the Second Coming, the Antichrist, and Messianic prophecy and explains the popularity of the books.

When somebody should go to the books stores, search start by shop, shelf by shelf, it is in fact problematic. This is why we give the ebook compilations in this website. It will totally ease you to see guide **Soothsayers Of The Second Advent** as you such as.
