Sorrows Company Writers On Loss And Grief:

Sorrow's Company Dewitt Henry, 2001-09-16 In this volume DeWitt Henry has collected some of the finest contemporary writing about loss and the grieving process essays that explore emotional trauma in finely crafted prose Debra Spark recounts her sister's death and reflects on all of the ideas that have helped her come to terms with grief William Gibson writes eloquently of his mother's passing with a new understanding of the cycles of life Andre Dubus describes the terrible loss of mobility he suffered in a freak accident and what his pain and disability taught him about the human will Transported back to her native Antigua and to all the complexities of a difficult childhood Jamaica Kincaid confronts her brother's ostracism and death from AIDS All of the pieces reflect in some aspect the tenacity the strength to go forward and to love that has informed these life journeys and the resolve that what matters is not what becomes of us but what we become This collection offers a unique perspective on loss a depth of insight and compassion that only such masterful writers could summon

Lost Bodies Laura E. Tanner, 2018-07-05 If the dying body makes us flinch and look away struggling not to see what we have seen the lost body disappears from cultural view buried along with the sensory traces of its corporeal presence from the Introduction American popular culture conducts a passionate love affair with the healthy fit preferably beautiful body and in recent years theories of embodiment have assumed importance in various scholarly disciplines But what of the dying or dead body Why do we avert our gaze speak of it only as absence This thoughtful and beautifully written book illustrated with photographs by Shellburne Thurber and other remarkable images finds a place for the dying and lost body in the material intellectual and imaginary spaces of contemporary American culture Laura E Tanner focuses her keen attention on photographs of AIDS patients and abandoned living spaces newspaper accounts of September 11 literary works by Don DeLillo Donald Hall Sharon Olds Marilynne Robinson and others and material objects including the AIDS Quilt She analyzes the way in which these representations of the body reflect current cultural assumptions revealing how Americans read imagine and view the dynamics of illness and loss The disavowal of bodily dimensions of death and grief she asserts deepens rather than mitigates the isolation of the dying and the bereaved Lost Bodies will speak to anyone imperiled by the threat of loss

Grief and Women Writers in the English Renaissance Elizabeth Hodgson,2015 This book examines the way in which early modern women writers conceived of grief and the relationship between the dead and the living

English Literature E. R. Kostro,2002 English literature is the mother lode to English language speakers and deservedly so The English have a rich history of writing with lights so bright they bedazzle the student Shakespeare Byron Keats Bronte Shelly Dickens Chaucer and on and on Yet English literature also competed with French Russian Chinese and many other literatures on the world stage How has the language effected the literature Does the English speaker feel drawn to Shakespeare the same as a Russian does to Pushkin Did England fully share in the literary movements of the day Can a small country possess the literary firepower to keep up with the giants Does it matter This new book presents an overview of the entire field of English literature as well as a selective bibliography indexed by subject author and title for easy access

Dickens and the Business of Death Claire Wood,2015-03-05 The first ever full length study exploring how Dickens s fiction engaged with responded to and even exploited Victorian attitudes to death

Sweet Sorrow Sherry Cormier,2018-09-08 Few of us know how to navigate the territory of traumatic loss successfully Sweet Sorrow shows how we can respond and grow stronger from loss and suffering Written by a psychologist and certified bereavement trauma specialist in the decade following the loss of her husband father mother and only sibling this carefully considered work provides perspective on grief and healing over time This longer term approach allows readers to have a more complete and accurate picture of the oscillations of grief over time The book describes not only the immediate agony of the author s losses but also the process of starting over and making a successful new life as a single person full of hope and joy Sweet Sorrow combines the author s psychological expertise and clinical experience with the compelling art of memoir to illuminate the surprising ways in which loss survivors can grow and even thrive to achieve wholeness after heartbreaking traumatic losses Using findings from post traumatic growth as well as evidence based psychological approaches Sweet Sorrow illustrates through story and example ways for grief survivors to start over to manage chaos and stress to let go and

to heal with new strategies and re-storying Sweet Sorrow also provides resources and recommendations for self care as well as tips and suggestions for all of us trying to respond creatively and helpfully to those around us suffering loss Ultimately Sweet Sorrow is a book of inspiration intended to accompany readers through the processes of loss and grief much like a helpful Sherpa might guide a lost traveler

Unmoored Yet Unbroken Susan Bodnar, Chrystal L. Dunker, Jean Kayira, 2025-09-29 Unmoored Yet Unbroken is less a final statement than a generative offering It gathers voices from around the world many early in their careers who are working to articulate what it means to live and practice in an ecologically disoriented age What emerges is a collective engagement with resilience not as simple endurance but as a relational process a network of care that spans people cultures and ecologies and leads to the deepening transformation of self An important contribution to the ecopsychology literature

PETER H KAHN Jr Professor of Psychology and Environmental and Forest Sciences University of Washington author of Technological Nature Adaptation and the Future of Human Life A rich tapestry of global narratives that highlights the psychological impact of environmental changes Unmoored Yet Unbroken explores the intricate relationship between humans and the natural environment With stories and observations from urban suburban rural and wild environments this book challenges ethnocentric perspectives and emphasizes our deep interdependence with the natural world Protecting and stabilizing this relationship is vital for our mental health and essential in the broader fight against climate change This book uncovers the psychological challenges arising from our increasing disconnection from the natural world through a blend of diverse personal narratives clinical insights and cultural analysis It addresses the urgent need to understand how environmental changes impact mental health in every community By deepening our understanding of how climate change influences the human psyche Unmoored Yet Unbroken offers an essential perspective for scholars students activists and general readers Explore the clinical implications of ecological change and how they differ globally Get a well rounded perspective grounded in clinical evidence personal stories interviews and survey results Understand how ecological changes impact marginalized communities in urban and rural settings This book addresses gaps in existing literature and offers insights into the unique challenges marginalized groups face in environmental changes
