Sorting Things Out George F. Dole, 2005 Exploring Biblical themes concepts from the writings of Emanuel Swedenborg and scientific advances in fields such as holography and chaosology to help seekers to sort things out along life's path drawing out purpose from the confusion of the human drama

Angelic Wisdom about Divine Providence Emanuel Swedenborg, 2013-01-30 Emanuel Swedenborg 1688-1772 a truly remarkable visionary began his career as a Swedish mining official and member of parliament and became well known throughout Europe as a scientist and prolific writer on scientific and philosophical subjects After a series of profound religious experiences during midlife he devoted the remaining twenty-seven years of his life to being a servant of the Lord and wrote energetically to communicate a spiritual vision of reality Since then the rigid theologies of the eighteenth century have steadily yielded and the foresighted lucidity of his perspective has gained widening recognition The fresh and contemporary appeal of Swedenborg's insights arises from the respect he showed for all religious faiths that stress a useful and loving life Swedenborg's ideas have influenced people as diverse as Helen Keller Johnny Appleseed William Blake Henry James Ralph Waldo Emerson D.T. Suzuki Jorge Luis Borges and Dr. Mehmet Oz The continuing appeal of his thought undoubtedly lies in his insights into the afterlife concepts of divine love and focus on personal and social development In *Divine Providence* Swedenborg explains why it is that we cannot always see God's hand in our chaotic world Why tragedy and war are allowed to happen and how these things relate to us If God were to remove all tragedies from our lives of what worth would free will be Swedenborg's ideas have influenced people as diverse as Helen Keller Johnny Appleseed William Blake Henry James Ralph Waldo Emerson D.T. Suzuki Jorge Luis Borges and Dr. Mehmet Oz The continuing appeal of his thought undoubtedly lies in his insights into the afterlife concepts of divine love and focus on personal and social development The reader will find in this book a firm assurance of God's care of mankind as a whole and of each human being The assurance is rested in God's infinite love and wisdom the love pure mercy the wisdom giving love its ways and means It is further grounded in an interpretation of the universe as a spiritual natural world an interpretation fully set forth in the earlier book *Divine Love and Wisdom* on which the present work draws heavily As there is a world of the spirit no view of providence can be adequate which does not take that world into account For in that world must be channels for the outreach of God's care to the human spirit cover image courtesy of George Bosela
