**Revelation Unveiled** Tim LaHaye,2010-02-23 In Revelation Unveiled Dr Tim LaHaye co author of the best selling Left Behind series reveals the scriptural foundation of beloved novels In this book LaHaye explains the biblical topics he and Jerry Jenkins explored in Left Behind The rapture of the church The Return of Christ The Great Tribulation The Final Battle against Satan and His Hosts The Seven Seals The Antichrist The Seven Trumpets The Seven Bowls of Wrath The Great White Throne The Destruction of Babylon The New Heaven and New Earth Previously titled Revelation Illustrated and Made Plain this revised and updated verse by verse commentary of the book of Revelation includes numerous charts With simple and accessible language Revelation Unveiled will help you better understand the mysterious final book of the Bible and its implications Perfect for fans of the Left Behind books and for anyone confused or curious about the book of Revelation **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1987

*Publication* ,1987 **Plotting Apocalypse** Jennie Chapman,2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of

the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics
