Heinze, 2021-03-09 What do Joyce Brothers and Sigmund Freud Rabbi Harold Kushner and philosopher Martin Buber have in common They belong to a group of pivotal and highly influential Jewish thinkers who altered the face of modern America in ways few people recognize So argues Andrew Heinze who reveals in rich and unprecedented detail the extent to which Jewish values often in tense interaction with an established Christian consensus shaped the country's psychological and spiritual vocabulary *Jews and the American Soul* is the first book to

recognize the central role Jews and Jewish values have played in shaping American ideas of the inner life It overturns the widely shared assumption that modern ideas of human nature derived simply from the nation s Protestant heritage Heinze marshals a rich array of evidence to show how individuals ranging from Erich Fromm to Ann Landers changed the way Americans think about mind and soul The book shows us the many ways that Jewish thinkers influenced everything from the human potential movement and pop psychology to secular spirituality It also provides fascinating new interpretations of Sigmund Freud Alfred Adler and Western views of the psyche the clash among Protestant Catholic and Jewish moral sensibilities in America the origins and evolution of America s psychological and therapeutic culture the role of Jewish women as American public moralists and more A must read for anyone interested in the contribution of Jews and Jewish culture to modern America **The Churchman** ,1919 **God's Seven Ways To Ease Suffering** , *The Spiritual Writings of Warren Felt Evans* Warren Felt Evans,2014-03-17 Warren Felt Evans also known as the recording angel of metaphysics was one of the men who found healing in the New Thought movement and its founder Phineas P Quimby He became an avid student of the New Thought and wrote many spiritual works Included in this volume are *The Primitive Mind Cure* *The Nature And Power Of Faith* *Mental Medicine* *A Theoretical And Practical Treatise On Medical Psychology* *Esoteric Christianity* *And Mental Therapeutics* *The New Age And Its Messenger*
