Soul Matters for Teens J. Countryman, 2005 Soul Matters for Teens tackles 40 of the crucial life issues you face as a teenager weaving together poignant personal reflection questions inspirational quotes real life stories God's promises brief but hard hitting Bible studies practical life application ideas and prayer starters to help you to discover for yourself how to let your soul take flight and soar Topics include Attitudes Dating Parents The Future Role Models God Can Use You Alcohol Sexual Purity Renewing Your Mind Negative Peer Pressure Tough Times Choices and more Soul Matters Mabel Aghadiuno, Jas Kalsi, 2017-11-22 In recent years many have come to believe that Western medicine has lost contact with holistic conceptions of health as encompassing physical emotional intellectual social and spiritual dimensions Spiritual may imply religious or faith based values or experience but also non material factors such as an appreciation of natural beauty art music moral values or beliefs from which a person draws meaning and a sense of transcendence Equally many people are unaware of a spiritual dimension to life and health until illness or trauma strikes However coming to terms with life events deriving meaning from them and incorporating them into their life philosophy may then be experienced as a deep spiritual crisis with ramifications in their wider health and implications for the health professionals who treat them This book considers the meaning of holistic health care and explores the spiritual dimension of health through the narratives of fictional and non fictional patients It discusses how to discern when a patient's distress has a spiritual dimension the implications of this for health professionals and ways in which spiritual factors can be addressed and discussed within healthcare When it comes to questions about meaning and purpose such as what is the point of all this or why is this happening to me or when we meet patients in the depths of despair at the prospect of imminent death when we ourselves feel hopeless and overwhelmed in the face of an avalanche of human suffering then we begin to struggle We do not know what we could do nor even what we should do Our professional training doesn't help We are stuck With this beautiful book Mabel Aghadiuno comes to our rescue Christopher Dowrick in his Foreword *Soul Matters* Yolonda Tonette Sanders, 2007-09-03 Infidelity and deceit threaten a Christian family when they are forced to face the lies that are creating mistrust disorder and tension in their lives **Soul Matters: Modern Science Confirming Ancient Wisdom** Jeanne-Rachel Salomon PhD, 2019-02-13 In shamanic understanding trauma signifies soul loss To restore a person to wholeness the shaman journeys into non ordinary reality to retrieve the person's lost soul essence and restores it to the client in ordinary reality Shamans knew intuitively that existence is a product of consciousness and that soul requires body to enter physicality and body requires soul to express life Yet there is only a set amount of physical pain and mental emotional disturbance that an embodied soul can tolerate Out of self preservation a part of the soul leaves just prior to the trauma impact and retreats unharmed into non ordinary reality away from physical ordinary reality This book presents the author's unique and creative research into the millennia old shamanic healing modality of Soul Retrieval Dr Salomon found that the fundamentals of the shamanic healing method are

aligned with quantum principals and that the phenomenon of soul leaving and soul returning happens on the quantum level of existence The results of her study confirm the relevance of quantum physics tenets of non locality tangled hierarchy and discontinuity inside shamanic healing Shamanism is not well understood by most people Dr Salomon has the intelligence and willingness to do the hard work to bring the validity and reliability of good science to the public Her thoroughness of a difficult subject is clear and understandable A must read for anyone interested in learning about the laws of the universe and how it affects each of us every day Jeffrey L Fannin Ph D Soul Matters for Mothers Mark Gilroy Communications, Inc Staff,2005 A unique devotional for mothers providing encouragement and renewal of the soul The demands on a mother can be enormous The physical emotional and spiritual needs of her children are constant and can seem never ending Much needed support and encouragement can at times be in short supply Soul Matters for Mothers part of the popular Soul Matters series is the perfect devotional for refreshing the mind and uplifting the heart of any mother no matter the age A wide variety of topics are presented in a format that s easy to follow and fun to read Each devotional includes a quote Scripture To Think About and Life Lesson sections followed by a Real Life Story an action step and finally a prayer It s a wonderful way to help mothers be the best they can be doing one of the hardest jobs in the world Soul Matters Sara Ahbel-Rappe,Danielle A.
