[Awakening: Our Soul Journeys](#) The Aquarian Team, 2016-09-23 In our first book we shed some light on subjects that presently affect societies around the world such as politics education the economy art the role of women and so on We didn't talk about ourselves In this book we want to touch your heart and take you on our personal journeys our souls journeys as we reached a point in life when we questioned the purpose of our existence when we felt there had to be more than merely eating sleeping working raising a family and acquiring possessions Of course all of these are important but a part of us remained dissatisfied thirsty and ready to explore other realms of our being So we each embarked on a quest leading up the mountain of our soul and spirit Our paths towards the summit are all different yet we share an element we came to recognize as essential when climbing a mountain a well trained guide is life saving In our stories we each meet such a spiritual guide a master mountaineer able to show us the way toward the spiritual summits Omraam Mikhael Aivanhov Discover how his self mastery and the many methods he suggested influenced us Discover the direction we have taken as a result and how we keep climbing Join us in the awakenings to new heights of consciousness The spirit is above everything else and when you succeed in becoming one with it in identifying with

Scott,2009-11-16 In 2002 Grace J Scott began to receive messages from those beyond the grave Grace felt it her duty to record their voices their thoughts and even their warnings Awakening of the Soul is the amazing result This intriguing collection of channeled thoughts from souls in heaven other planetary systems and other universes will benefit those seeking spiritual growth as well as those wanting information about preparing for upcoming Earth changes Much of the material is packed with information and requires time to read and digest while other

material is simple and easily understood Presented in chronological order as received in reflexology sessions the conversations are completely original unedited and unorganized straight from the spirit itself Some spirits channeled big lessons for the general public or gave messages to individuals while some explained disasters politics wars dreams and events in our daily lives But all of the souls have one thing in common they bring news that Earth is cleansing itself at a rapid pace and they are here to assist us through the cleansing and beyond Epic in scope Awakening of the Soul is a vital tool for those looking to the future and to the fate of Earth itself *The Six Processes of Life, Love, and Awakening* Ray

Jordan,2011-10-19 The Six Processes are like a user s manual for tuning up your relationships and examining your own well being Like any living organism when there is a problem in one of these processes the result will be imbalance disease and possibly death If the problem s roots can be identified whether they stem from the process of Growth Digestion Elimination Corruption Healing or Regeneration then real progress can be made This book was created in the hope that it will help you to understand your life your relationships and your spiritual growth It is based on the teachings passed on to me during my years in an esoteric school Section two focuses on the Aspects and Features of the Machine I will introduce you to an incredible system for understanding human body types personality types and alchemical comfort zones In the third section of the book we will explore the Power of Presence meditation overcoming obstacles to awakening and advice for starting a spiritual group This book is not based on the hope that you will believe but instead that you will take it upon yourself to build a foundation of truth through the accumulation of your verifications It was the goal of my teacher to discover and understand ancient and once secretive teachings and return their wisdom to people in an accessible form This was written with that same objective The knowledge contained in *The Six Processes of Life Love and Awakening* is immediately practical and clear while at the same time profound enough to be built off of for years to come Whether your focus is on dating and relationships or personal and spiritual growth you will find something useful in this book **Blackbutterfly Soul Songs** Dr. Queen

Shamala Sykes,2017-11-10 Just like many of us Dr Queen Shamala Sykes was once led down the long and winding path of soul exploration as she sought deeper answers to questions like Who am I and What is my purpose Dr Sykes an ordained minister and a metaphysical practitioner relies on the symbolism of the butterfly to share poetic expressions about the soul In a five part collection Dr Sykes examines the meaning of the soul and shares the importance of soul awareness According to Dr Sykes Using ancient wisdom and a daily practice of meditation are sure ways to connect you with your soul your gifts and your talents *Blackbutterfly Soul Song* interlaces symbolism with poetic expressions that will help guide anyone searching for transformation and renewal to find the answers to lifes most complex questions Breathtaking This book evokes the spirit of the Self and highlights the purpose of the Soul The words of the ancestors combined with the authors words speak with wisdom and clarity This book is highly recommended for taking our thoughts to a higher level of understanding Mercedes Tidmore Brown author of *A Soul Incarcerated* **Impermanent Footprints** Jill Marcy,2010-05-20 As I leave my time on

this earth I know that my footprints on it are silent invisible and impermanent upon its surface My existence is only recorded by those I've known in my life in their memories of me These too are impermanent and will in time fade and become no more This is the cycle of life I write this book as a personal record of my viewpoints interpretations of what I have viewed and experienced whilst on my earth walk My motivation to write it is like many before me and many more after I am gone To leave a vision in print for others to reference to or use as a signpost towards a path upon which they might like to journey themselves I write this book of reference mainly for my sons for when I am gone they will in time forget my voice of guidance and this book will be a way of keeping my teachings and guidance available for them to tap into if they need once I am no longer here physically I began to write this book in the year 2007 I am now reaching my mid 40s and am beginning to start my reflective years of living My generation has been given the name of the X generation which is interesting due to the content of my book falling into the X factor However if you ask my sons they would have you believe that I'm well into being OLD In history men and women were respected in their elder years as the tribes and cultures of those times valued their wisdom which they contributed to the younger members of the tribe Storytelling was a valued tradition as it was in that time the only way to hand down knowledge so it could continue on through the younger generations In our modern society this tradition is considered barbaric and youth is valued now and society continues to endorse how to stay YOUNG
