**Encouragement from the Psalms** Dr. B, 2023-03-03 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened

the author's mind and encouraged his spirit. They can do the same for you all while providing principles for living this life as you help others walk with the Lord.

**Essays on "The Soul's Logical Life" in the Work of Wolfgang Giegerich** Jennifer M. Sandoval, Colleen EL-Bejjani, Pamela J. Power, 2023-12-22

*Essays on The Soul's Logical Life in the Work of Wolfgang Giegerich* Psychology as the Discipline of Interiority is the second collection of essays dedicated to the study and application of psychology as the discipline of interiority, a new wave within analytical psychology which pushes off from the work of C. G. Jung and James Hillman. Reflecting upon the notion of psychology developed by German psychoanalyst Wolfgang Giegerich, whose Hegelian turn sheds light on the notion of soul or the objective psyche and its inner logic and thought forms a radical new basis from which to ground a modern psychology with soul. The book explores the theme of the soul's logical life as it displays itself in various modern phenomena: from overwhelming anxiety, cryptocurrency, the dreams of Japanese college students, and contemporary psychoanalysis, to myth, music, social movements, and the question and relevance of truth in psychology and consciousness. The authors, comprising clinical psychologists, teachers, Jungian analysts, and international scholars, aim to reveal and convey the

dialectical inner workings and speculative logic of the modern soul Essays on The Soul's Logical Life in the Work of Wolfgang Giegerich Psychology as the Discipline of Interiority will be essential reading for depth and clinical psychologists Jungian psychoanalysts and academics and students of post Jungian studies and for all those interested in what it means to think in the highly sophisticated and technological world of the twenty first century **The soul's exodus and pilgrimage**
