know you're going to scream at me for using the twist you didn't see coming but I really didn't. Reader Review The only thing I can say that was a disappointment about reading this book is that I somehow missed the first one in the series. What a cracking read! I'm now off to find book 1. Reader Review This is a cracking good thriller that pulls you this way and that and keeps you guessing. I've always loved everything that I have read by Ross Greenwood and this book is no exception. Reader Review This was brilliant. So much going on throughout the book it was hard to keep up but so captivating till the end. Great story characters. Loved it. Reader Review This was an incredibly well plotted adrenaline race of a thriller. The plotting was amazing so many different threads all wound together and when the author pulled on them the result was just a beautiful bow of an ending with no tangles left to unpick until the next time. Reader Review [Death at Paradise Park](#) Ross Greenwood, 2023-11-06 Ross Greenwood doesn't write clichés. What he has written here is a fast paced action filled puzzle with believable characters that's spiced with a lot of humour. Kath Middleton Some secrets refuse to stay buried. When Alfie Hook settles down to eat his fish and chips by the Hunstanton seaside he hasn't anticipated it is going to be his last meal. DS Ashley Knight and her Major Investigation Team are called to investigate and when they discover who Alfie is married to they realise this case is not going to be straightforward. A second body is found in gruesome circumstances at the nearby Paradise Caravan Park but the team struggle to connect the two victims. Even after hours of interviews with the residents and many questionable stories to the police's frustration all their alibis check out. What are they concealing? As the bodies mount up and the leads get ever more complicated Ashley and her rookie partner Hector Fade finally join the dots. But then it's a race against time to stop the killer striking again. Bestselling Ross Greenwood is back with an unputdownable seaside thriller perfect for fans of Mark Billingham, Ian Rankin and Peter James. Praise for Ross Greenwood Move over Rebus and Morse a new entry has joined the list of great crime investigators in the form of Detective Inspector John Barton. A rich cast of characters and an explosive plot kept me turning the pages until the final dramatic twist. Richard Burke On a par with Peter James I thoroughly enjoyed Book 1 of this series. It was fast paced and well written with a good storyline. Reader Review An absolute corker of a story with many characters who will remain firmly in my mind for a long time. Loved it didn't guess the end and can't wait for book two. A massive five stars from me. Reader Review I love this author's work so the thought of a new series got me a tad excited. And I was right to be. Our new main characters are Ashley Hector what a fabulous pair they are. A brilliant start to the series if you haven't read this author before this is a great place to start. A fast paced police procedural with plenty of shocks. Fantastic. Reader Review I LOVED this book and read way into the early hours to finish it. I was enthralled by the plot finding the final pieces to the jigsaw of a complicated crime linked to an event 30 years before. I felt like I really got to know DS Ashley Knight and her new partner Hector Fade who is on the Police graduate scheme. Reader Review Keeps you guessing until the very end. Excellent new series from the author of DI Barton books. Does not disappoint. Reader Review I very much enjoyed meeting Ashley Knight for the first time. This is great start to a new series and I am
