The Soul Care Leader Rob Reimer,2022-11-29 How do we live a healthy life and lead others into spiritual emotional and relational health and wholeness That is the focus of this book Trying to help others find freedom and wholeness is draining work What do we do to become healthy and maintain our well being What are the practices and rhythms we need to engage in to be effective Soul Care practitioners How do we create a culture where life change flourishes How do we minister in the power of the Spirit so that we can lead others into breakthroughs Too often people are talking about the same problems that they were talking about several years ago but they aren t finding a path to freedom We need to help people get to the roots and not merely manage their dysfunction and sin These are the questions and topics that this book will seek to equip you in as you seek to live and lead people into freedom and fullness in Christ **Climbing the Sycamore Tree** Ann Hagmann,2001-06-01 Warning This book could change the way you live Although I ve experienced what it s like to get overextended I ve never been poor without options or help writes Hagmann My faith tells me that being a Christian must affect who I am and how I behave with my wealth Christ has something to say about the way I live my daily life from how I treat others to how I spend my money Do you make everyday economic decisions that reflect your Christian faith and values Or are you living large in a material world Using the story of Zacchaeus Luke 19 1 9 as its inspiration *Climbing the Sycamore Tree* is a 6 week study of faithful stewardship Hagmann uses both scripture and consumer statistics to show how our buying habits often marginalize certain people and perpetuate systems that contradict good stewardship and love for God s creation Following the experience of the tax collector Zacchaeus the study seeks to deepen the link between the faith we profess and the lifestyle we live Designed as a study for individuals or groups *Climbing the Sycamore Tree* provides insight into how our

economy functions and the connection between how we spend our money and spiritual formation asks provocative discerning questions about our daily choices calls us to a path of simple everyday living that is in harmony with our Christian beliefs The study is divided into three sections of two weeks each Each week's readings consist of five lessons and a group session that includes scripture discussion questions guides for reflection or activity and prayer Open yourself to transformation that more clearly reflects the daily living of the faith you profess **Wise and Shine: Think Clearly, Live Deeply, Be Someone You**

founder of the Jesuits espoused the ideal of becoming contemplatives in action He was convinced that contemplation the deep awareness and appropriation of the unconditional love of God should affect our actions and that our actions need to be brought back to contemplation These five dimensions of the spiritual life 1 the Holy Eucharist 2 spontaneous prayer 3 the Beatitudes 4 partnership with the Holy Spirit and 5 the contemplative life itself generally do not develop simultaneously or even in parallel ways Some develop very quickly but do not achieve significant depth while others develop quite slowly but seem to be almost unending in the depth of wisdom trust hope virtue and love they engender The best way of explaining this is to look at each of the pillars individually Before doing this however it is indispensable for each of us to acknowledge at least intellectually the fundamental basis for Christian contemplation namely the unconditional Love of God Jesus taught us to address God as Abba If God really is Abba if His love is like the father of the prodigal son if Jesus passion and Eucharist are confirmations of that unconditional Love if God really did so love the world that He sent His only begotten Son into the world not to condemn us but to save us and bring us to eternal life Jn 3 16 19 if nothing really can separate us from the love of God in Christ Jesus Rm 8 31 39 and if God really has prepared us to grasp fully with all the holy ones the breadth and length and height and depth of Christ's love and experience this love which surpasses all understanding so that we may attain to the fullness of God Himself Eph 3 18 20 then God's love is unconditional and it is therefore the foundation for unconditional trust and unconditional hope There can be nothing more important than contemplating affirming appropriating and living in this Unconditional Love This is the purpose of contemplation indeed the purpose of the spiritual life itself

A Way of Life: For the Third Millennium Ray Simpson, 2024-02-02 False ways litter the world Even the great religions have become prisoners of colonial frameworks or of a selfishness that betrays their essence As a result our planet faces climate catastrophes nuclear holocausts and internet surveillance that makes us prisoners of unseen predators There is a Way however whose time has come It is ingrained in the psyche of humanity It resonates with Perennial Wisdom with Chinese who understand it as Tao with the Buddhist Eightfold Path the Five Pillars of Islam indigenous peoples whose insights have been summarised as The Harmony Way and above all with Jesus who declared I AM the Way John 14 6 and whose first disciples were known as followers of The Way based on Jesus Beatitudes Matthew 5 7 Whereas traditional monasticism restricted its vows to celibates cut off from the world new Monasticism makes vows rooted in the Beatitudes accessible to everyone One reason Benedictinism survived through the second millennium is because its founder wrote a detailed commentary on its rule Here the founding guardian of a new monastic community writes a commentary on its Way of Life which he has reflected on daily for over a generation and which promises to flourish through the third millennium
