Copping,2017-12-03 Excerpt from Souls in Khaki Being a Personal Investigation Into Spiritual Experiences and Sources of Heroism Among the Lads in the Firing Line War is a confession of failure a failure to live even on the level of an intelligent humanity It is in fact a descent into the realm of nature red in tooth and claw the realm that is of the fighting beast And the fighting beast at a time when we can only see blood shot eyes and blood stained lips But even so it is not wholly bestial sentiments of mutual respect for desperate foes some regard for courage and endurance some admiration for sacrifice remain Men do not finally lose control of themselves even in battle nor do they depart wholly from submitting to the control of others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
