The Sound of Peace David J. Murnion,2023-06-13 About the Book The Sound of Peace is the saga of two dynamic Quaker families immigrating to Central Montana in 1879 where nothing resembling European civilization exists except one abandoned fort and one trading post operated by two men of questionable reputation From 1879 1884 everything changes There are three gold strikes in three nearby island mountain ranges two huge open range cattle companies who resent homesteaders at least five small towns within a 50 mile radius road agents and vigilantes For the two Quaker families made up of unique individuals it is not always possible to maintain their peaceful lifestyle About the Author David J Murnion was born in the territory of Alaska and moved to Eastern Montana at the age of eight whereupon his family assumed management of his grandparents 76 square mile sheep cattle and horse ranch where his father was born He learned a great deal of Indigenous history and early open range cattle era from the land itself and from many old timers David currently lives with his wife Jacqueline in a one room log cabin off the grid in a small mountain range in Central Montana where he writes

Jacqueline is an artist and together they hike and travel to national parks and monuments and to wilderness areas and wildlife refuges
