## **Telling Stories Like Jesus Did:**

**Telling Stories Like Jesus Did** Christelle L. Estrada, 1987      Creating Stories That Connect D. Bruce Seymour, This innovative book helps pastors and teachers enhance their teaching with original audience appropriate stories the way Jesus did Bruce Seymour explains how such stories work when to use them and how to create them      **The Creative Storytelling Guide for Children's Ministry** Steven James, 2002 Whether you re new to storytelling or you ve been telling stories for years this book will help you tell God s story more creatively and effectively than you ever imagined you could Enjoy this library of favorite Bible stories and storytelling techniques developed by award winning author and professional storyteller Steven James Each book includes creative storytelling techniques especially suited to help teachers tell God s story and involve children in the Bible story      Bible Stories Like Grandma Told 'Em Ruth Perry, 2015-01-02 Okay kids time for devotions Sit down and listen NOT Bible Stories Like Grandma Told Em is a hands on devotional which keeps the children active with activities like Coins to find Animal sounds needed Riddles to answer Crafts to reinforce spiritual take away Recipes that help tell the story Visual aids to peak curiosity Each story will leave them begging for more In addition to Bible Stories Like Grandma Told Em Ruth has written two books A devotional What If and memoirs of a caregiver Up with the Good Down with the Bad Motivating and inspiring others is the underlying theme that keeps Ruth excited about writing She is a member of the American Christian Writers Group in the Ozarks      **Telling Stories** Cartledge Tony, Tony W. Cartledge, 2008 In telling stories Jesus often used imagination and metaphor pulling attention grabbing stories and images from the air He asked his hearers to imagine someone who could examine a speck in another s eye while a plank protruded from his own or to visualize a great camel squeezing through the eye of a needle He spoke of a despised Samaritan who showed unexpected compassion and a bigger barn building landowner who thought only of himself Jesus hearers understood that the characters and events in those memorable stories didn t have to be real in order for the stories to be true In his preaching experience of nearly forty years Tony Cartledge like many other preachers has often told creative stories as an avenue for capturing the attention and engaging the minds of those listening to the message he was called upon to bring His latest book Telling Stories contains a smorgasbord of stories and scripts that range from the possible to the fantastic along with one that really happened They include original stories in folktale style and monologues or dialogues designed to illuminate biblical characters All of these stories are designed to inspire those who proclaim Christ to effectively utilize good stories in their own preaching      *To Every People from Every People* Dr. Larry D. Pate, 2022-04-22 To Every People From Every People trains people to plant reproducing churches in the mainstream of unreached cultures around the world There are over two billion people living in over seven thousand such cultures who will never have an adequate chance to know Christ as Lord and Savior unless someone plants churches in the mainstream of their culture and language group This book teaches clearly and biblically about why that is important More important it teaches you how to do it It focuses on practical

subjects like how to learn another language without studying it in a school and how to make an effective strategy. It actually walks you through case studies with illustrations so you can get a mental picture of how to plant reproducing churches in the mainstream of any people group. An earlier version of this book was originally written specifically for Latin America. It was published by Editora Vida Miami Florida in several editions of Spanish and Portuguese. It has long been the best selling book of its kind for many years. This English edition has been revised and updated for a global English speaking audience. Many thousands of people have used this book to plant new churches in other cultures and even in their own cultures. The anthropological communications and sociological principles in this book have also helped people understand the Bible better and how to apply its truths anywhere. Most of all, this book is designed to implant vision and passion for cross cultural ministry in the mind and heart of the reader. It creates a mental image of how to do it. It is a powerful tool intended for the Holy Spirit to use to thrust forth dedicated and effective laborers into the unreached harvest fields of the world. **Telling**

**Stories to Touch the Heart** Reg Grant, John Reed, 2001-08-27 Discover one of the oldest and most effective communication tools: storytelling. How can stories improve your teaching, public speaking and communicating? Jesus Himself demonstrated through His parables that telling stories is a dynamic way to reach a listener's heart with ideas. Stories can make a point while evoking laughter or tears and stories can make messages memorable. **Liberating the Bible** Thomas Calnan

Sorenson, 2015-10-27 Liberating the Bible offers readers a handbook to help them make their way through a front to back exploration of the riches contained in the Bible. Thomas Calnan Sorenson blends scholarship with a down to earth presentation in a survey of the Bible that uncovers the basics of its many books and reveals the persuasive power of its messages to nurture faith, expand understanding and deepen connections to God. Liberating the Bible organizes its guidance into three parts. In Approaching the Bible, eleven stops on the tour investigate the basics of the Bible, its status in the church, methods for reading and interpreting it and the grounding of its claims. The second part, The Old Testament, groups the books of this testament and covers over sixteen stops. Each of the stops delves into a book or cluster of books, examining historical background, organization, key passages and distinctive themes and messages. The third part, The New Testament, provides similar guidance while making eleven stops along the way. If you are one of the millions who have a Bible or several on your nightstand but find yourself confused or intimidated by its size and scope, then this guidebook offers its companionship. It promises to serve as a seasoned and knowledgeable resource to consult as you make your trip through the Bible. It will help you find a deeper faith and stronger ties to God through the Bible's powerful witness. **Telling Stories, Writing Songs**

Kathleen Hudson, 2010-07-05 Willie Nelson, Joe Ely, Marcia Ball, Tish Hinojosa, Stevie Ray Vaughan, Lyle Lovett: the list of popular songwriters from Texas just goes on and on. In this collection of thirty-four interviews with these and other songwriters, Kathleen Hudson pursues the stories behind the songs, letting the singers' own words describe where their songs come from and how the diverse eclectic cultures, landscapes and musical traditions of Texas inspire the creative process.

Conducted in dance halls dressing rooms parking lots clubs wherever the musicians could take time to tell their stories the interviews are refreshingly spontaneous and vivid Hudson draws out the songwriters on such topics as the sources of their songs the influence of other musicians on their work the progress of their careers and the nature of Texas music Many common threads emerge from these stories while the uniqueness of each songwriter becomes equally apparent To round out the collection Hudson interviews Larry McMurtry and Darrell Royal for their perspectives as longtime friends and fans of Texas musicians She also includes a brief biography and discography of each songwriter
