Harper's Monthly Magazine Henry Mills Alden, Thomas Bucklin Wells, Lee Foster Hartman, 1901 H.O. Pub United States. Hydrographic Office, 1901 **Harper's New Monthly Magazine**, 1901 Harper's Magazine made its debut in June 1850 the brainchild of the prominent New York book publishing firm Harper Brothers Harper's Magazine the oldest general interest monthly in America explores the issues that drive our national conversation through long form narrative journalism and essays and such celebrated features as the iconic Harper's Index With its emphasis on fine writing and original thought Harper's provides readers with a unique perspective on politics society the environment and culture **Heidegger's Children** Richard Wolin, 2015-08-25 Martin Heidegger is perhaps the twentieth century's greatest philosopher and his work stimulated much that is original and compelling in modern thought A seductive classroom presence he attracted Germany's brightest young intellectuals during the 1920s Many were Jews who ultimately would have to reconcile their philosophical and often personal commitments to Heidegger with his nefarious political views In 1933 Heidegger cast his lot with National Socialism He squelched the careers of Jewish students and denounced fellow professors whom he considered insufficiently radical For years he signed letters and opened lectures with Heil Hitler He paid dues to the Nazi party until the bitter end Equally problematic for his former students were his sordid efforts to make existential thought serviceable to Nazi ends and his failure to ever renounce these actions This book explores how four of Heidegger's most influential Jewish students came to grips with his Nazi association and how it affected their thinking Hannah Arendt who was Heidegger's lover as well as his student went on to become one of the century's greatest political thinkers Karl L with returned to Germany in 1953 and quickly became one of its leading philosophers Hans Jonas grew famous as Germany's premier philosopher of environmentalism Herbert Marcuse gained celebrity as a Frankfurt School intellectual and mentor to the New Left Why did these brilliant minds fail to see what was in Heidegger's heart and Germany's future How would they after the war reappraise Germany's intellectual traditions Could they salvage aspects of Heidegger's thought Would their philosophy reflect or completely reject their early studies Could these Heideggerians forgive or even try to understand the betrayal of the man they so admired Heidegger's Children locates these paradoxes in the wider cruel irony that European Jews experienced their greatest calamity immediately following their fullest assimilation And it finds in their responses answers to questions about the nature of existential disillusionment and the juncture between politics and ideas **Dime Dialogues**, 1894 *Tell-Tale Texas* E.R. Bills, 2023-08-07 Uncover the suppressed testimony of the Lone Star State's uncomfortable past Tinseltown almost always gets Texas wrong The Searchers never did that much searching the Giants were hardly ever big in terms of character and The Last Picture Show was just the beginning of a disturbing reveal As acclaimed writer Stephen Harrigan suggests the Lone Star State was not exactly a Big Wonderful Thing and for too many Texans nothing was ever Awright Awright Awright A Black civil rights champion was assassinated in 1976 and the incident was buried A

Cowtown Catcher in the Rye was published in 1940 and the country club set made it disappear And the war machines of Hitler and Mussolini were perfected with Texas oil during the Spanish Civil War Author E R Bills challenges his proud neighbors earnestly asking them to take a hard look at their past and examine their own historical amnesia cultural fragility and fierce denial **Catalog of Copyright Entries.
