

The Ten Commandments for Today's Christians

The Ten Commandments are familiar territory for most Christians. We learn them in childhood. This is appropriate, because they originally were arranged for easy memorization by beginners. Ten fingers, ten commandments! They offer a basic orientation to fundamental behaviors that make a decent society possible. Their very familiarity, however, may make us underestimate their significance. Though they do not cover every imaginable area of human existence, they do provide a starting point for moral reflection.

To understand them, we should pay attention to several elements:

- (1) **Structure.** The Ten Commandments break into two recognizable sections, with a bridge linking them. Commandments 1-4 (worship God, make no idols, avoid false oaths, and keep the Sabbath) orient us to God. Commandments 6-10 (do not murder, commit adultery, steal, lie in court, or covet) focus on human relationships and processes. Commandment 5 (honor parents) links the two because reverence for those who give us life relates closely to reverence for the ultimate source of life.
- (2) **Content and Character.** Commandments against violence, sexual infidelity, theft, and abuse of judicial process would hardly seem to need explanation or defense, and they receive none in this text. A society that tolerates such behaviors will have many problems. On the other hand, some of the other commandments seem less than obvious. Take the last one first. How does one enforce a command against covetousness? Answer: the commandment is trying to form character, not merely to create external rules. This commandment directly concerns justice because it instructs us to allow to each person what is rightfully his or hers. It assumes that humans need certain things to exist and that God's people should make sure that persons receive that much. Extend this point further to other commandments. For example, the rule of the Sabbath, because it concentrates on how a community regards itself in the presence of God, reveals two important aspects of justice. (a) Justice involves every person in the community, not just those with power. (b) Justice is rooted in God's creative act. We treat others justly because doing so helps return us to the state God intended for us in the first place. Moreover, the Commandments' attempt to connect human behavior with the nature and actions of God operates in the foundational commandments against idolatry and "taking God's name in vain" (involving God in our plans when we do not intend to be godly). The God of Israel does not resemble the unjust, fickle, cruel gods of the nations, but rather seeks the wholeness and happiness of human beings. To please God, to live as God intended humans to live, and thus to become God's people, we must treat each other well.

- (3) **Stories, laws, and spiritual formation.** Behind the Ten Commandments lies a story, as the introduction makes clear. The story is that God has rescued slaves from bondage and led them to a land in which they can flourish as free people. No longer must they be subject to the cruel whims of others. Now they must act as moral agents on their own. This story of faith creates the context in which the laws make sense.

We can draw two further lessons from this observation. The first is that many of the biblical stories make sense as ways of reflecting on the norms of behavior set forth in the Ten Commandments and other biblical law. Think of Joseph and Potiphar's wife (Genesis 39; adultery), or the murder of Naboth (1 Kings 21; bearing false witness), or the failed siege of Jericho (Joshua 7; involving God and the things of God in one's own nefarious plans), or the

Ten Commandments For Today 2nd Ed:

Old Testament Today, 2nd Edition John H. Walton, Andrew E. Hill, 2014-02-11 This proven Old Testament text with a wealth of full color images helps readers connect the world of Old Testament with today's world. This text is unique among Old Testament surveys. It not only provides an orientation to the world of the Old Testament but also builds a bridge between the original audience and modern readers demonstrating why the ancient message is important for faith and life today. It goes beyond basic content to help students understand what the Scriptures mean and how to apply them personally. Taking readers progressively through the Old Testament, this text presents the details of the content focusing on the story line, historical background, and literary information that address the original setting and audience. Focuses on theology, perspectives, and on issues of the author's purpose and the universal message of the text, building a bridge between the original audience and today's audience. Develops an understanding of the relevance of the Old Testament writings to today's Christian, showing how they can be applied in personal faith and practice. The image-rich, full color design gives Old Testament Today a strong visual appeal. A wide array of charts, sidebars, illustrations, photos, and supplemental materials complement the body of the text, helping students to easily comprehend the literature, theology, and history of the Old Testament. This newly revised edition is organized by book, includes a new structure that more clearly describes the content, and introduces each book.

The Decalogue in the Sermon on the Mount Dan Liroy, 2004 In this work Dan Liroy first investigates the biblical concept of the law. He then conducts a thoroughgoing analysis of the Decalogue and the Sermon on the Mount. He gives particular attention to the connection between these two great bodies of biblical literature. The result is a comprehensive study that argues for the enduring relevance of the moral law. This volume is appropriate for personal study and is also suitable as a college and seminary text.

The Measure of Love, 2nd Edition Michael R. Hodge, 2011-03-21 The Measure of Love is a weekly devotional on the Ten Commandments with five daily devotions per week. Each devotion features a Scripture passage, thought to consider, and insights on that particular passage for the day.

The Ten Commandments Timothy S. Hogue, 2023-09-28 The Decalogue, commonly known as the Ten Commandments, is usually analysed as a text. Within the Hebrew Bible, however, it is depicted as a monument, an artifact embedded in rituals that a community uses to define itself. Indeed, the phraseology, visual representations, and ritual practices of contemporary monuments used to describe the Ten Commandments imbue them with authority. In this volume, Timothy Hogue presents a new translation, commentary, and literary analysis of the Decalogue through a comparative study of the commandments with inscribed monuments in the ancient Levant. Drawing on archaeological and art historical studies of monumentality, he grounds the Decalogue's composition and redaction in the material culture and political history of ancient Israel and ancient West Asia. Presenting a new inner biblical reception history of the text, Hogue's book also provides a new model for dating biblical texts that is based on archaeological and historical evidence rather than purely literary critical methods.

MacArthur Study Bible 2nd Edition: Unleashing God's Truth One Verse at a Time (LSB) John F. MacArthur, 2024-11-12

John MacArthur's extensive and trusted study notes provide access to over 50 years of ministry to aid in a better understanding of God's word. Over four million readers around the world have had their spiritual lives enriched and their understanding of God's Word expanded by The MacArthur Study Bible. Drawing on more than 50 years of dedicated pastoral and scholarly work, Pastor John MacArthur's verse-by-verse study notes, book introductions, and articles display an unparalleled commitment to interpretive precision with the goal of making God known through His Word. Trusted by readers worldwide, the MacArthur Study Bible has been recognized with the ECPA Platinum Award for selling over four million copies across translations. Features include:

- Fully redesigned second edition with updated study notes and expanded selection of maps and charts.
- Bible book introductions provide an overview of the background and historical context of the book about to be read.
- Nearly 25,000 verse-by-verse study notes for a better understanding of Scripture.
- 190 in-text maps, charts, and diagrams provide a visual representation of meanings, themes, teachings, people, and places of Scripture.
- Outline of Systematic Theology to guide you to study biblical doctrine in a logical order.
- Over 72,000 references allow you to find related passages quickly and easily.
- Concordance for looking up a word's occurrences throughout the Bible.
- Bible reading plans to guide you through reading God's Word daily.
- Chronology of Old Testament Patriarchs and Judges.
- Chronology of Old Testament Kings and Prophets.
- Chronology of the New Testament.
- Overviews of Christ's Life, Ministry, and Passion Week.
- Harmony of the Gospels.
- Introductions to each major section of Scripture.
- Index to Key Bible Doctrines.
- Easy to read 9.5 point typeface.

The MacArthur Study Bible is available in the Legacy Standard Bible translation (LSB). An update to the NASB 95 completed by scholars from The Master's Seminary and University, the Legacy Standard Bible is a translation that at its core seeks to be a window into the original Hebrew, Aramaic, and Greek. By translating individual words as consistently as possible, it allows the reader to discern the Author's intent.

God and the Big Bang, (2nd Edition) Daniel C. Matt, 2016-03-29

Mysticism and science: What do they have in common? How can one enlighten the other? By drawing on modern cosmology and ancient Kabbalah, Matt shows how science and religion can together enrich our spiritual awareness and help us recover a sense of wonder and find our place in the universe. Drawing on the insights of physics and Jewish mysticism, Daniel Matt uncovers the sense of wonder and oneness that connects us with the universe and God. He describes in understandable terms the parallels between modern cosmology and ancient Kabbalah. He shows how science and religion together can enrich our spiritual understanding. We embody the energy of the big bang, writes Matt. Furthermore, God is not somewhere else hidden from us. God is right here hidden from us. To discover the presence of God, Matt draws on both science and theology, fact and belief, and on the truths embodied in Buddhism, Hinduism, Islam, and Christianity, as well as Judaism. A rich dialogue between the physical and the spiritual, *God the Big Bang* takes us on a deeply personal, thoughtful, and inspiring journey that helps us find our place in the universe and the universe in ourselves.

An Introduction To Moral Theology, 2nd Edition William

May,2003-07-02 Faith Morals Here carefully documented footnoted and indexed is not only what the Church teaches but also why it is obligated to do so And why its members are obligated to examine and to apply that teaching This updated and expanded edition of a text long trusted and widely used in colleges universities and seminaries as well as in high schools and parish religious education programs offers the latest Catholic teaching on moral theology including Moral theology its nature purpose and biblical foundation Human dignity free human action virtue and conscience Natural law moral absolutes and sin Christian faith and our moral life Read why and how living what the Church teaches can transform hearts minds and souls

You Mean I Don't Have to Tithe? David A. Croteau,2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don't Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau's intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic
