George Watson, I. R. Willison

Ten Oxford Poets An Anthology:

Ten Oxford Poets ,1978 **Women's Poetry of the 1930s: A Critical Anthology** Jane Dowson,2008-02-21 Where were the women of the so called Auden Generation During this era of rapidly changing gender roles social values and world politics women produced a rich variety of poetry But until now their work has largely been lost or ignored in Women s Poetry of the 1930s Jane Dowson finally redresses the balance and recovers women s place in the literary history of the interwar years This comprehensive and beautifully edited collection includes Previously uncollected poems by authors such as Winifred Holtby and Naomi Mitchison Poems which are now out of print such as those by Vita Sackville West and Frances Cornford Poems previously neglected by poets including Ann Ridler and Sylvia Townsend Warner An extensive critical introduction and individual biographies of each poet Poetry lovers students and scholars alike will find Women s Poetry of the 1930s an invaluable resource and a collection to treasure **The New Cambridge Bibliography of English Literature:**

Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The Collected Poems and Journals of Mary Tighe Mary Tighe,2014-10-17 Mary Blachford Tighe was born in Dublin in 1772 and became a poet by the age of seventeen Her enormously popular 1805 epic poem Psyche or The Legend of Love made her a fixture of English literary history for much of the nineteenth century For much of the twentieth century however Tighe was better known for her influence on Keats s poetry than the considerable merits of her own work The Collected Poems and Journals of Mary Tighe restores Tighe to the general canon of English literature of the period With over eighty five poems including the complete Psyche and extracts from several journals both by and about Tighe Harriet Kramer Linkin s annotated edition is the most complete collection of Mary Tighe s work to be published in one volume Louis MacNeice

and the Poetry of the 1930s Richard Danson Brown,2009 This study investigates Louis MacNeice in two major central strands exploring MacNeice s ambiguous positioning as an Irish poet and the self consciousness in his writing *Hoffman's Index to Poetry* Herbert H. Hoffman,1985 No descriptive material is available for this title **The Cumulative Book Index**

,1922 Whitaker's Cumulative Book List ,1978 **Keepers of the Code** Robert Lecker,2013-01-01 Robert Lecker explores the ways in which these anthologies contributed to the formation of a Canadian literary canon the extent to which this canon was tied to an ideal of English Canadian nationalism and the material conditions accounting for the anthologies production *Anthologies of British Poetry* ,2021-11-22 From Tottel s Miscellany 1557 to the last twentieth century Oxford

Book of English Verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re creating the canon of English poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web
