

Tenant Welcome Letter

Subject- Tenant welcome letter

Welcome, [tenant name]

To make your transition easier and to wish you a warm welcome in your new home, I want to give you some information.

Electricity, gas, cable, and internet utilities are your responsibility. These may already be configured. If not, the following local service providers are available.

[Mention the name of insurance]: As specified in your lease, renters insurance is a requirement. Despite the fact that we have landlord insurance, you or your possessions are not protected by this policy in the event of a loss. Get a quote from [Mention the name] in a matter of seconds to get covered. You will be safeguarded by this in the event of theft, a fire, or an accident on the property.

The day before your lease starts, [date], text, email, or phone me at [phone number] to make arrangements for picking up your keys. Typically, you may pick up your keys at [address] if it's within regular business hours. If it's after business hours, we'll make plans for one of the current residents to assist in handing out the keys. In certain circumstances, a different configuration might be necessary.

We put a lot of effort into providing you with a cosy, secure, and welcome home. We fix any damage that may have occurred during the previous renter's occupancy before the next tenant moves in. Before you move in, we also employ a cleaning company. Giving you a fresh start is vital to us. We do need that the home be left in the same condition as when you moved in at the end of the lease.

I sincerely hope you enjoy living in your new house! Do not be reluctant to contact me.

Best,

Regards,

Thank you very much,

Tenants Of Time

L Darling-Hammond
