A Tenderfoot Bride : Tales from an Old Ranch Clarice E. Richards, *A Tenderfoot Bride Tales from an Old Ranch* I got up and stood by the window looking out upon a world of silver Myriads of stars shone faintly in the heavens dimmed by the glory of the moon the pale outline of the mountain was just visible and as on that first day when my heart was so heavy I felt the sense of confusion give way to peace From the vast spaces under the guardianship of that commanding summit we had gained a new sense of proportion freedom from hampering trivialities and a broader vision of life and its responsibilities Standing there in the moonlight facing the mountain I saw in it more than a symbol and source of strength to me it had become indeed the abiding place of a God Looking back over the years all the changes revealed only the evolution of a wondrous plan We had launched our frail barque in the midst of the prairie sea at the ebb of the tide of the wild lawless days of the West with the flow we had been carried through the years of a well ordered pastoral existence to the era of agricultural productivity and on each succeeding wave we had seen civilization borne higher and higher toward the ultimate goal set by the Great Spirit Ours had been indeed a wonderful experience

True, he'd shown her kindness even tenderness, but could he ever accept her shameful past and another man's baby? Richards, 1920. A Tenderfoot Bride Clarice Estabrook Richards, 2015-07-01. Excerpt from *A Tenderfoot Bride*. Tales From an Old Ranch. When our train left Colorado Springs and headed out into those vast stretches of the prairie which spread East like a great green ocean from the foot of Pike's Peak, all the sensations of Christopher Columbus setting sail for a new world and a few peculiarly my own mingled in my breast. As the train pounded along, I stole a look at Owen. He was absorbed in the contemplation of a map of our new holdings. Under that calm exterior, I suspected hidden attributes of the primitive man. Certainly there was some reason why Western life was to his liking, having had the chance to choose. It was late in the afternoon when we found ourselves on the platform of the solitary little wayside station. About the Publisher.
