Teresa Of Calcutta:

Mother Teresa of Calcutta Leo Maasburg, Leo-Maximilian Maasburg, 2011-01-01 Mother Teresa's life sounds like a legend. The Albanian girl who entered an Irish order to go to India as a missionary and became an Angel of the Poor for countless people. She was greatly revered by Christians as well as Muslims, Hindus, and unbelievers as she brought the message of Christian love for one's neighbor from the slums of Calcutta to the whole world. Fr Leo Maasburg was there as her close companion for many decades, traveling with her throughout the world and was witness to countless miracles and incredible little-known occurrences. In this personal portrait of the beloved nun, he presents fifty amazing stories about her that most have never heard. Wonderful and delightful stories about miracles, small and great, that he was privileged to experience at Mother Teresa's side. Stories of how, without a penny to her name, she started an orphanage in Spain and at the same time saved a declining railroad company from ruin, and so many more. They all tell of her limitless trust in God's love, of the way the power of faith can move mountains and of hope that can never die. These stories reveal a humorous, gifted, wise, and arresting woman who has a message of real hope for our time. It's the life story of one of the most important women of the 20th century as it's never been told before.

Mother Teresa: Come Be My Light Mother Teresa, Brian Kolodiejchuk, 2009-10-13 This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history. Mother Teresa. During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions, her extraordinary contributions to the care of the sick, the dying, and thousands of others. Nobody else was prepared to look after her. She has been recognized and acclaimed throughout the world. Little is known, however, about her own spiritual heights or her struggles. This collection of her writing and reflections, almost all of which have never been made public before, sheds light on Mother Teresa's interior life in a way that reveals the depth and intensity of her holiness for the first time. Compiled and presented by Fr Brian Kolodiejchuk, M.C., who knew Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center. Mother Teresa brings together letters she wrote to her spiritual advisors over decades. A moving chronicle of her spiritual journey, including moments, indeed years, of utter desolation, these letters reveal the secrets she shared only with her closest confidants. She emerges as a classic mystic whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith, a true dark night of the soul. If I ever become a Saint, I will surely be one of darkness. I will continually be absent from Heaven to light the light of those in darkness on earth. Mother Teresa.
