The Literary Criticism Of Henry James:

Henry James: Literary Criticism Vol. 2 (LOA #23) Henry James, 1842-1916 Henry James renowned as one of the world's great novelists was also one of the most illuminating audacious and masterly critics of modern times This Library of America volume is one of two volumes of the most extensive collection of his critical writings ever assembled with many pieces never before available in book form It includes reviews of a great number of European writers especially French writers along with more general essays and the Prefaces Henry James wrote for the New York Edition of his works published between 1907 and 1909 More than one hundred reviews and essays are gathered by author so that readers can trace the development of James's complex meditative and highly volatile attitudes toward a wide spectrum of literature James reviews the formidable Honoré de Balzac with his huge all-compassing all-desiring all-devouring love of reality Gustave Flaubert a pearl-diver breathless in the thick element while he groped for the priceless word and Ivan Turgenev the Russian visitor in Paris with whom James felt great personal affinity even though Turgenev lacked the immense charm of absorbed inventiveness James delivers his critical judgments with great elegance and point especially when he discusses the performance of other critics like Hippolyte Taine and Augustin Sainte-Beuve and of course he can be wonderfully acerbic An early moralistic essay on Baudelaire finds Poe vastly the greater charlatan of the two and the greater genius James brings his critical zest exhilaration and independence of judgment to bear on writers as diverse as Alphonse Daudet George Sand Victor Hugo Guy de Maupassant Théophile Gautier J.W. von Goethe and Gabriele D'Annunzio Readers will find in the complete collection of the Prefaces one of literature's most revealing artistic autobiographies a wholly absorbing account of how writing gets written and a vision of the possibilities for fiction which critics and novelists of later times will find immensely instructive and liberating LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1,000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid-free paper that will last for centuries

The Literary Criticism of Henry James Sarah B. Daugherty, 1981 **Henry James: Selected Literary Criticism** Morris Shapira, 1981-04-30 This 1981 book is a reissue of a selection of Henry James literary criticism by Heinemann Educational Books in 1963 Few artists of any kind have applied to their work the degree of critical intelligence that James devoted to his and the perfectionist care that he devoted to the practice of his own craft made him a great critic of the art of fiction in general The essays included in this volume cover the entire span of James' career from the essay on Whitman 1865 to The New Novel 1914 Of particular interest are the essays dealing with the great fiction writers of the nineteenth century Dickens George Eliot Maupassant Flaubert Balzac and Zola The book also includes by way of a preface F.R. Leavis' essay on James as a critic in which Leavis analyses what he sees as the strengths of James' work in this field

Selected Literary Criticism Henry James, 1964 Critical analyses of the writings of Whitman Flaubert Emerson Dickens and others and the essay *The art of fiction* **The Master and the Dean** Rob Davidson, 2005 Comparative study of Henry James and William Dean Howells's literary criticism Examines the interrelationship between the men emphasizing their aesthetic concerns and attitudes toward the market and audience and their beliefs concerning the moral value of fiction and the United States as a literary subject and writings about each other Provided by publisher **Notes and Reviews** Henry James, 1921

Critics on Henry James Jerry Don Vann, 1972 Henry James: Literary Criticism Vol. 1 (LOA #22) Henry James, 1984-12-01 Henry James renowned as one of the world's great novelists was also one of the most illuminating audacious and masterly critics of modern times This Library of America volume and its companion are a fitting testimony to his unprecedented achievement They offer the only comprehensive collection of his critical writings ever assembled more than one third of which have never appeared in book form This first volume focuses especially on his responses to American and English writers the second volume contains his essays on European literature and the Prefaces to the New York Edition of his fiction From 1864 until virtually the end of his life James displayed an astonishing range and catholicity of critical interests touching on nearly every facet of literature in America England and Europe Here are his most important theoretical essays including his witty and daring declarations of the novelist's freedom in *The Art of Fiction* *The Future of the Novel* and *The Science of Criticism* a gently ironic title from a writer who regarded criticism as a form of art Appreciations of Ralph Waldo Emerson I knew he was great greater than any of our friends pungent comments which he later regretted on Walt Whitman's *Drum Taps* and assessments of Louisa May Alcott Edgar Allan Poe his friend and admirer William Dean Howells Harriet Beecher Stowe Francis Parkman and scores of other American writers are joined in revealing proximity to commentaries on nearly every important English writer of fiction and some poets such as the Brownings during the late nineteenth and early twentieth centuries These reviews of English writers include James's stunning essay on Charles Dickens's *Our Mutual Friend* his provocative discussions of George Eliot and his tough but appreciative estimates of Anthony Trollope Matthew Arnold Benjamin Disraeli Elizabeth Gaskell Rudyard Kipling Thomas Hardy William Morris Rupert Brooke Ouida Algernon Charles Swinburne and Robert Louis Stevenson Also included here is his great essay on Shakespeare's *The Tempest* All of these pieces are gathered under the author considered so that James's supple changes in attitude can be followed across the years Of particular interest both critically and biographically are James's commentaries on Nathaniel Hawthorne including his still controversial book length study of 1879 His estimates of his predecessor's work remain highly debatable but are perhaps more interesting as evidence of his own feelings about being an American writer of a later and as he assumed more complex time Finally this volume includes two invaluable collections his *American Letters* and *London Notes* wherein with unsurpassed tact and grandeur of mind he introduces readers of his native and of his adopted country to each other LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's

literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries
