The Problem of Perception A. D.

Smith,2005-01-01 In a major Contribution to the theory of perception A D Smith presents a truly original defense of direct realism the view that in perception we are directly aware of things in a physical world It offers two arguments against direct realism one concerning illusion and one concerning hallucination that upto now no theory of perception could adequately rebut At the heart of Smiths theory is a new way of drawing the distinction between perception and sensation alone with an unusual treatment of the nature of object of hallucination

Little Green Man from Mars Michael Casher,2007-01-26

Michael Casher s sixth novel is a sci fi treatment of the Antichrist and Rapture prophecies Dwight Tinker is a humble unemployed man whose luck has run out When his best friend offers him a menial job suddenly there are others who need Dwight for a more important job to give the world a sign and save planet Earth in the biblical Latter Days Dwight must soon decide if he is the right man for the job and if the new woman in his life is really from the afterlife He must also search his own conscience for a reason to fight or to help the mythical Illuminati who have a desperate stake in the prophesied Rapture As Dwight Tinker endures the abrasive personality of the alien man sent to Earth to protect him during his mission the eyes of Providence are watching and judging In this deadly end of days struggle the stakes are nothing less than the destiny of those who will be rescued from a troubled Earth and those who will be left behind

Unpacking Normativity

Kenneth Einar Himma,Miodrag Jovanovic,Bojan Spaic,2018-11-01 This book provides a new and wide ranging study of law s normativity examining conceptual descriptive and empirical dimensions of this perennial philosophical issue It also contains essays concerned with among other issues the relationship between semantic and legal normativity methodological concerns pertaining to understanding normativity normativity and legal interpretation and normativity as it pertains to transnational law The contributors come not only from the usual Anglo American and Western European community of legal theorists but also from Latin American and Eastern European communities representing a diversity of perspectives and points of view including essays from both analytic and continental methodologies With this range of topics the book will appeal to scholars

in transnational law legal sociology normative legal philosophy concerned with problems of state legitimacy and practical rationality as well as those working in general jurisprudence It comprises a highly important contribution to the study of law s normativity *200 Puzzling Physics Problems* P. Gnädig,G. Honyek,Kenneth Franklin Riley,2001-08-13 This book will strengthen a student s grasp of the laws of physics by applying them to practical situations and problems that yield more easily to intuitive insight than brute force methods and complex mathematics These intriguing problems chosen almost exclusively from classical non quantum physics are posed in accessible non technical language requiring the student to select the right framework in which to analyse the situation and decide which branches of physics are involved The level of sophistication needed to tackle most of the two hundred problems is that of the exceptional school student the good undergraduate or competent graduate student The book will be valuable to undergraduates preparing for general physics papers It is hoped that even some physics professors will find the more difficult questions challenging By contrast mathematical demands are minimal and do not go beyond elementary calculus This intriguing book of physics problems should prove instructive challenging and fun *Operations Management in the Travel Industry, 2nd Edition* Peter Robinson,Paul Fallon,Harry Cameron,John C Crotts,2016-02-26 Covering the applied managerial perspective of the travel industry this book looks at the core disciplines and the application of theory to practice Considering individual and corporate social responsibility it teaches effective managerial skills by reviewing legal frameworks quality management and marketing financial management and the management of shareholders and stakeholders It discusses current trends such as sustainability and governmental emission targets against a background of the needs of a commercial business to innovate and increase profits A valuable tool for both students and those working in the travel industry this new edition includes new content a revised structure and all new international case studies *Broken: A Paranormal Romance* David H. Burton,2011-06-11 Three days before her twenty fourth birthday Katherine Gregory receives a letter from her deceased mother It details a faery curse in which the eldest child in each generation will die in their twenty fifth year Three days before her twenty fourth birthday a new love interest comes knocking and her first love has returned neither men are what they seem and Katherine may have to choose between them Three days before her twenty fourth birthday Katherine must decide if this is all real or if the strange visions she s been having are just a figment of her imagination The race to unravel the mystery begins and Katherine must solve it for any day after her birthday could be her last
