Land of the Living Ivor MacDonald, 2005-10-03 A flourishing earth that reflects the diversity bounty and beauty of its Creator must be cared for There are compelling reasons for all Christians rural and urban to be concerned for the land If you love the Creator you must love his creation and to love his creation you must love the communities that are charged with looking after it Land of the Living reflects on some of the pressures on agricultural communities today and argues that the land is still spiritually important and has an important place in God s eternal purposes Issues such as urbanisation technology mobility and the importance of roots globalisation and food are viewed through the twin lenses of rural life and theology

To the Land of the Living Robert Silverberg, 2015-07-28 The Hugo Award winning author returns to the mythical world of Gilgamesh the King in this adventurous sequel An enthralling quest The Times London The warrior king Gilgamesh part man part god is not only larger than life he is larger than death Trapped in the Afterworld a bizarre reality in which everyone who has ever died lives again only to die again and again in endless succession Gilgamesh sets out to find his lost friend Enkidu and fight his way back to the land of the living Along the way he encounters a rogue s gallery of figures from history literature and myth including H P Lovecraft and Robert E Howard and travels from the ancient city of Uruk to modern day Manhattan But the Afterworld is not so easily escaped

In the Land of the Living Kenneth L.

Sehested, 2014-12-05 If required to summarize my deepest conviction in a single sentence it would be something like this I believe that God is more taken with the agony of the earth than with the ecstasy of heaven So begins the preface to In the Land of the Living Prayers Personal and Public by Kenneth L Sehested What follows from that conviction is a collection of prayers and poems most of which are inspired by one or more particular biblical texts and many of which were originally written for use in Sehested's own congregation Sehested's lifelong work as a justice and peace organizer informs his poetic eloquence which in the words of one reviewer produces reflections on Scripture that create a flash of insight a bolt of courage a stretch of imagination a surprising peek into the heart of God and cries out against second hand convictions In the Land of the Living Ps 27 13 represents a significant addition to that tradition of spirituality which takes seriously both the pain of the world and the claim of a God at work disarming both the heart and the nations Indeed These prayers are jumper cables from the pew to the world
