Poetry, Enclosure, and the Vernacular Landscape, 1700-1830 Rachel Crawford, 2002-09-05 Publisher Description **The Georgian London Town House** Kate Retford, Susanna Avery-Quash, 2019-03-07 For every great country house of the Georgian period there was usually also a town house Chatsworth for example the home of the Devonshires has officially been recognised as one of the country's favourite national treasures but most of its visitors know little of Devonshire House which the family once owned in the capital In part this is because town houses were often leased rather than being passed down through generations as country estates were But most crucially many London town houses including Devonshire House no longer exist having been demolished in the early twentieth century This book seeks to place centre stage the hugely important yet hitherto overlooked town houses of the eighteenth and early nineteenth centuries exploring the prime position they once occupied in the lives of families and the nation as a whole It explores the owners how they furnished and used these properties and how their houses were judged by the various types of visitor who gained access *Captain Gray's Houses* Robert Shepherd, 2019-04-15 The fascinating story of the eighteenth century houses of Sion Row Twickenham In telling the story of these houses and their occupants a remarkable social history is revealed **Relics & Memorials of London Town** James S. Ogilvy, 1911 **St Albans, 1650-1700** J. T. Smith, John Thomas Smith, M. A. North, 2003 This study of St Albans covers the period from the Commonwealth to the accession of Anne which embraces religious and political changes of great interest in the life of a town of strongly dissenting opinion **Leisure cultures in urban Europe, c.1700-1870** Peter Borsay, Jan Hein Furnee, 2015-12-01 This collection of essays examines the history of urban leisure cultures in Europe in the transition from the early modern to the modern period The volume brings together research on a wide variety of leisure activities which are usually studied in isolation from theatre and music culture art exhibitions spas and seaside resorts to sports and games walking and cafes and restaurants The book develops a new research agenda for the history of leisure by focusing on the complex processes of cultural transfer that were fundamental in transforming urban leisure culture from the British Isles to France Spain Italy Sweden Austria and the Ottoman Empire How did new models of organising and experiencing urban leisure pastimes travel from one European region to another Who were the main agents of cultural innovation and appropriation How did entrepreneurs citizens and urban authorities mediate and adapt foreign influences to local contexts How did the increasingly entangled character of European urban leisure culture impact upon the ways men and women from various classes identified with their social cultural or proto national communities Accessible and wide ranging this volume offers students and scholars a broad overview of the history of urban leisure culture in eighteenth and nineteenth century Europe The agenda setting focus on transnational cultural transfer will stimulate new questions and contribute to a more integrated study of the rise of modern urban culture *Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur*, 2003 *Respectability and the London Poor, 1780-1870* Lynn MacKay, 2015-10-06 The

population of London soared during the Industrial Revolution and the poorer areas became iconic places of overcrowding and vice. Focusing on the communities of Westminster, MacKay shows that many of the plebeian populace retained traditional working class pursuits such as gambling, drinking and blood sports. *The English Town* Mark Girouard, 1995-01-01. By looking at England's cathedral towns, Regency spas and industrial cities and at their market squares, docks, council chambers and assembly rooms, the author traces the development of English towns through the centuries. *The Burlington Magazine for Connoisseurs*, 1913.
