M. Schulman,1970

Showdown Jerry Langton,2010-10-06 The inside story of the street war between Canada s most violent biker gangs the Outlaws and the Hell s Angels Once bikers who road together Mario Parente and Walter Stadnick are now mortal enemies chiefs respectively of the Outlaws and Hell s Angels embroiled in a bloody turf war over control of the lucrative drug prostitution and vice markets in Ontario s Golden Horseshoe Written with the cooperation of Mario Parente Showdown describes the biker gang equivalent of the Godfather the violent power shifts as Satan s Choice a rival gang falls into disarray and as Parente gears up to protect Southwest Ontario from Stadnick s vision of making the Hell s Angels the largest criminal biker gang in Canada A gang s eye look at the 2006 Shedden Massacre where eight men were slaughtered An account that lets Mario Parente go on the record with his story of the biker wars With frightening and compelling detail Showdown lets readers experience firsthand the personalities and day to day workings behind the brutal and deadly rivalries that mark one piece of Canada s criminal underworld Road Dogs and Loners Timothy D. Pippert,2007-01-01 Using ethnographic

histories recounts the exploits and perils of the great grey predator wolves that have roamed North America There were the extraordinarily intelligent crafty stubborn renegades who preyed on stock resisted the government hunters and became legendary figures in American history Fallen Angel Jerry Langton,2009-12-17 Walter Stadnick is not an imposing man At five foot four his face and arms scarred by fire in a motorcycle accident he would not spring to mind as a leader of Canada s most notorious biker gang the Hells Angels yet through sheer guts and determination intelligence and luck this Hamilton

born youth who had the nickname of Nurot rose in the Hells Angels ranks to become national president Not only did he lead the Angels through the violent war with their rivals the rock machine in Montreal in the Nineties Stadnick saw opportunity to grow the Hells Angels into a national criminal gang he was a visionary and a highly successful one Bikers are not known for their fondness for rival gangs Stadnick and the Angels fought and defeated rival gangs or used power of persuasion to patch them over As Stadnick's influence spread law enforcement took notice of the growing presence of the Angels in Ontario Manitoba and British Columbia However Stadnick's success did not come without a price Arrested and charged with 13 counts of first degree murder stadnick beat the murder charges but was convicted of gangsterism and is currently serving time Fallen Angel details one man's improbable rise to power in one of the world's most violent organizations while shedding light on how this enigmatic and dangerous biker gang operated and why it remains so powerful **Managing Change in**

Real Bikers Of North America Edward Winterhalder,2025-02-23 In Real Bikers Of North America Men Who Rode With An Outlaw Motorcycle Club author Edward Winterhalder captures a realistic snapshot of the outlaw biker lifestyle to preserve the culture accurately for generations to come For nearly a decade his interns conducted in depth interviews of former and active members of outlaw motorcycle clubs and in this resulting anthology of mini biographies you'll explore the life stories of real outlaw bikers who never back down and never back up they are men of honor and respect and their word is worth more than gold Although the outlaw biker from the sixties seventies and eighties wouldn't recognize the outlaw biker of today Winterhalder's intent in writing this book was to convey a simple message your perception of the lifestyle from a historic perspective is inaccurate and there's no such thing as a stereotypical outlaw biker There are common denominators but each man's ride on his journey through life is unique Intended for the general public and those in the academic community that find the outlaw biker aspects of anthropology criminology sociology psychology ethnography deviant behavior criminal justice pop culture and humanities interesting this is an extremely unique opportunity to learn about a secretive sub culture that most people find terrifying and abhorrent The Assimilation Edward Winterhalder,Wil De

Clercq,2021-08-29 In the early 1990s Maurice Mom Boucher and his fellow Montreal Hells Angels reputedly the most ruthless and vicious bikers in the world subdued all comers except the tough as nails members of the Rock Machine Founded by Salvatore Cazzetta an ex friend of Boucher the Rock Machine had every intention of standing up against the Hells Angels Seven years of bloody conflict which left over 160 people dead and countless injured was the result Heavily outnumbered the Rock Machine appealed to the worldwide Bandidos Motorcycle Club who rivaled the Hells Angels in terms of membership and strength In January 2000 the Rock Machine ceased to exist and became a probationary Bandidos chapter the first to be established on Canadian soil Biker Edward Winterhalder was assigned by the Bandidos to coordinate the transition Although the stage had been set for an end to the biker war and a positive outcome for all it was anything but Starting with the arrest and unsuccessful deportation proceedings of Winterhalder by the Canadian authorities more intrigue assassinations and double crosses Winterhalder found himself in a situation even he found impossible to control In The Assimilation Winterhalder in collaboration with author Wil De Clercq recalls his life and times as an outlaw biker his personal involvement in the creation of the Quebec Bandidos his friendship with the key players who made it happen and his eventual disillusionment with and exit from the Bandidos Nation
