Dr. Rachana Yadav, 2018-12-15 Since ancient time s Patriarchal hegemony on socio cultural institutions has established the general notion about woman as a shadow figure to a male concierge be he a father a husband or a son It was also a granted notion that reader writer and even critic of all literature can only be male because this notion assumes the exclusion of female voice from the institution of literary expression shunning her as an inferior sex The purpose of all Patriarchal conspiracy is to retain power and possessive right over womenfolk To make women believe that there is such a thing as essence of femaleness called femininity serves the purpose of Patriarchy This speaks of the Male chauvinistic conspiracy and prudish notion of the male dominance in the world for exploitation of womenfolk *Reflections on Indian English Fiction* Ed.
