The Loves Of Cass Mcguire

Brian Friel

The Loves Of Cass McGuire:

The Loves of Cass McGuire Brian Friel, 1966 Three act play concerning a woman of seventy with a disreputable career behind her who returns to Ireland **The Loves of Cass McGuire** Micheál Ó hAodha, Brian Friel, Abbey Theatre, 1978

The Loves of Cass McGuire Brian Friel, 1984 The Loves of Cass McGuire Brian Friel, 1967 Three act play concerning a woman of seventy with a disreputable career behind her who returns to Ireland The Loves of Cass McGuire, Etc Brian Friel, 1966 **The Achievement of Brian Friel** Alan J. Peacock, 1993 The reception of Brian Friel's recent *Dancing at Lughnasa* confirms his status as Ireland's leading dramatist. The body of work that he has produced is outstanding in its breadth of sympathy and interest, its dramaturgical invention and its wide cultural and intellectual purview. At one level it may be seen as a continuous examination of Irish culture and politics, committed and analytical but not sectionally propagandist. His outlook in his drama however is not amenable to simplistic categorization, political or otherwise. As this volume demonstrates linguistically allusively and in terms of its broad transcultural analogising, his work ranges widely. He utilises ideas and terminologies drawn from various cultural sources and academic disciplines in a way that exemplifies his central insistent concern with the phenomenon of language and its implications. As an Irish dramatist however, he makes Irish social, political and notably family life his focus and builds upon a recognised tradition of twentieth century Irish play writing. This book addresses the variety and complexity of Friel's drama by bringing to bear a range of academic and other professional and creative approaches in order to highlight particular aspects of his work and thought. Hence contributors include a playwright, poet, theatre producer, historian and various specialists in relevant literatures. In this way the book suggests the intellectual richness, humanity and protean skill and invention of the work. **Curtain Times** Otis L. Guernsey, 1987 Applause Books. *Curtain Times* is a uniquely comprehensive, uniquely detailed and uniquely contemporaneous history of the New York theater in the seasons from 1964-65 up to 1987. This is a collection of more than two decades of annual critical surveys originally published in the *Best Plays* series of yearbooks in a single volume. Each of these surveys is a report and criticism of a whole New York theater season: its hits and misses on stage and off, its esthetic innards. Each is a comprehensive overview which takes in every play, musical, specialty and revival, foreign and domestic, produced on and off Broadway during the theater season. Hardcover The Loves of Cass McGuire Brian Friel, 1967 **About Friel** Tony Coult, 2011-11-17 This series contains what no other study guides can offer: extensive first-hand interviews with the playwrights and their closest collaborators on all of their major work, put together by top academics, especially for the modern student market. As well as invaluable synopses, biographical essays and chronologies, these guides allow the student much closer to the playwright than ever before. In *About Friel*, teacher and playwright Tony Coult has selected an extensive and stimulating range of documents and interview material that explores Friel's life, work and the experiences of his collaborators and fellow artists who put that work on stage, including Patrick Mason, Connall Morrison, Joe Dowling and actors Catherine

Byrne and Mark Lambert If you want to read just one book on Brian Friel and the titanic power of his work this is it

Brian Friel's Models of Influence Zosia Kuczyńska, 2023-12-04 The Brian Friel Papers at the National Library of Ireland are a record of a life's work in progress They represent a way of working and of making art over a period spanning more than fifty years This book is the first of its kind in its attempt to interrogate the role of the Brian Friel Papers in Friel's legacy as a working artist with a richly developed creative practice By means of an unprecedented focus on Friel's artistic process Kuczyńska asks not only how and by whom Friel was being influenced and inspired but also how and for whom Friel's praxis might come to be an inspiration Combining forensic archival scholarship with original collaborative practice based research this study remains focused on the how of influence showcasing an approach to literary archives that foregrounds live practices of access in the spirit of creative encounter Whether uncovering forgotten source materials for Friel's plays or working with current practitioners in the arts Kuczyńska reveals how an approach to literary archives grounded in artistic practice might provide the tools for setting a major creative legacy not in stone but rather in motion

Whispering the Strategies of Language: An Mental Quest through **The Loves Of Cass Mcguire**

In a digitally-driven world where screens reign great and instant transmission drowns out the subtleties of language, the profound techniques and mental subtleties concealed within words usually get unheard. However, situated within the pages of **The Loves Of Cass Mcguire** a captivating literary value blinking with raw emotions, lies a fantastic journey waiting to be undertaken.
