

The Loves Of Catherine The Great

Arturo Cuomo

The Loves Of Catherine The Great:

Catherine the Great Virginia Rounding, 2007-02-06 First comprehensive modern biography of Catherine the Great to explore her both as a woman and empress *Catherine the Great & Potemkin* Simon Sebag Montefiore, 2016-04-26 A widely acclaimed biography from the bestselling author of *The Romanovs* One of the great love stories of history The Economist between Catherine the Great and the wildly flamboyant and talented Prince Potemkin Captures the genius of two extraordinary Enlightenment figures and of the age as well The Wall Street Journal Catherine the Great was a woman of notorious passion and imperial ambition Prince Potemkin was the love of her life and her co ruler Together they seized Ukraine and Crimea territories that define the Russian sphere of influence to this day Their affair was so tumultuous that they negotiated an arrangement to share power leaving each of them free to take younger lovers But these twin souls never stopped loving each other Drawing on the pair's intimate letters and on vast research Simon Sebag Montefiore restores these imperial partners to their rightful place as titans of their age Biography in the grand tradition Riveting The author is a gifted storyteller The Washington Post **The Loves of Catherine the Great** Vsevolod Nikolaev, Albert Parry, 1982 *Catherine the Great* John T. Alexander, 1989-11-09 Examines all aspects of Catherine the Great's life and career focusing on her role as mother lover and ruler during her reign as Empress of Russia from 1762 to 1796 Love Letters of Great Men and Women - From the Eighteenth Century to the Present Day C. H. Charles, 2013-04-18 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Love & Conquest** Catherine II (Empress of Russia), Grigoriĭ Aleksandrovich Potemkin (kniaz'), Douglas Smith, 2004 Of all of history's great romances few can compare with that of Catherine the Great and Prince Grigory Potemkin Their turbulent and complicated relationship shocked their contemporaries and continues to intrigue observers of Russia centuries later Lovers companions and most likely husband and wife Catherine and Potemkin were also close political partners and for a time Potemkin served as Catherine's de facto co ruler of the Russian Empire Their letters offer an intimate glimpse into the lovers' unguarded moments revealing both ecstatic expressions of love and candid insights on eighteenth century politics In February 1774 the Russian empress took Grigory Potemkin for her lover and it is now believed secretly married him a few months later Particularly in the first two years of their relationship Catherine was consumed by her passion for Potemkin The hundreds of letters and notes she dashed off to him between assignments in the Winter Palace during this time attest to the giddy exuberance of the new love that so fully embraced her *Love and Conquest* contains the most historically significant and personally revealing of these letters only a few of which have ever before been translated into English Beginning with Potemkin's letter to Catherine written while off fighting the Turks in 1769 and concluding with his farewell note scribbled the day before his death in 1791 the correspondence spans most of Catherine's reign The letters are at once personal and political private and public Many of

Catherine's love letters to Potemkin written during their stormy affair reveal the empress's passionate personality. Potemkin's letters provide rare insight into his arrogant and mercurial character while serving to dispel the myth of Potemkin as little more than a corrupt sycophant. Love and Conquest reveals the complexity of Catherine and Potemkin's personal relationship in light of dramatic changes in matters of state, foreign relations and military engagements. After their love cooled, Catherine and Potemkin continued to discuss and debate a wide range of state affairs in their letters, including the annexation of the Crimea, court politics, wars against the Ottoman Empire and Sweden, and the colonization of southern Russia. Together they carried out the most dramatic territorial expansion in the history of imperial Russia, transforming Catherine into a powerful world leader and creating a bond of affection that would never fully fade. Readers will find in the letters new insights on Russia's most famous empress, her passions and her world.

The Loves of Charles II Jean Plaidy, 2005-10-25 From princesses to country girls to actresses, the loves of Charles II come to life. Ten years after Charles I was deposed and executed, his son Charles II regains the throne after many years in exile. Charles is determined not only to restore the monarchy but also to revive a society that has suffered under many years of Puritan rule when everything from theater to Christmas festivals was illegal. As king, Charles II throws himself into the gaiety of court life, becoming a patron of the arts and a consummate lover of women. He first secures a strong dynastic alliance by marrying Catherine of Braganza, a shy plain Portuguese princess who falls in love with her handsome husband and brings him great wealth but can never give him the son he longs for. For many years, his untitled queen is a bold and sensual older woman, Barbara, Countess of Castlemaine, whose husband is routinely paid to look the other way. But when the politically ambitious Lady Castlemaine becomes too powerful, she is replaced by Louise de Kroualle, a baby-faced French noblewoman who may have been sent to Charles's court as a spy. His other great love and Louise's rival is Nell Gwyn, a stage actress who rises from the streets of London to become the king's favorite. And a hero of the working class. Court intrigue and affairs of the heart weave together in this unforgettable page-turner.

Catherine the Great and Potemkin Simon Sebag Montefiore, 2021-09-02 One of the great love stories of history, in a league with Napoleon and Josephine and Antony and Cleopatra. Excellent with dazzling mastery of detail and literary flair. Economist. It was history's most successful political partnership as sensual and fiery as it was creative and visionary. Catherine the Great was a woman of notorious passion and imperial ambition. Prince Potemkin, wildly flamboyant and sublimely talented, was the love of her life and her co-ruler. Together they seized Ukraine and Crimea, defining the Russian empire to this day. Their affair was so tumultuous that they negotiated an arrangement to share power, leaving Potemkin free to love his beautiful nieces and Catherine her young male favourites. But these twin souls never stopped loving each other. Drawing on their intimate letters and vast research, Simon Sebag Montefiore's enthralling, widely acclaimed biography restores these imperial partners to their rightful place as titans of their age.
