The Little Silver House:

The Little Silver House ... Pictures by Garth Williams Jennie Dorothea LINDQUIST,1959 **The Little Silver House** Jennie Dorothea Lindquist,1959 A mysterious boarded up house intrigues Nancy and her friends The day after Christmas Nancy learns that the house will again be lived in *The Wonder Clock* Howard Pyle,2008-07-28 A short verse introduces a fairy tale for each hour of the day and night Includes such tales as Bearskin The Water of Life How one Turned his Trouble to Some Account How Three Went out into the Wide World The Clever Student and the Master of Black Arts The Princess Golden Hair and the Great Black Raven Cousin Greylegs the Great Red Fox and Grandfather Mole One Good Turn Deserves Another The White Bird How the Good Gifts were Used by Two How Boots Befooled the King The Step mother Master Jacob Peterkin and the Little Grey Hare Mother Hildegard Which is Best The Simpleton and his Little Black Hen The Swan Maiden The Three Little Pigs and the Ogre The Staff and the Fiddle How the Princess s Pride was Broken How Two Went into Partnership King Stork The Best that Life has to Give **From Little Houses to Little Women** Nancy McCabe,2014-12-09 A typical travel book takes readers along on a trip with the author but a great travel book does much more than that inviting readers along on a mental and spiritual journey as well This distinction is what separates Nancy McCabe s *From Little Houses to Little Women* from the typical and allows it to take its place not only as a great travel book but also as a memoir about the children s books that have shaped all of our imaginations McCabe who grew up in Kansas just a few hours from the Ingalls family s home in *Little House on the Prairie* always felt a deep connection with Laura Ingalls Wilder author of the *Little House* series McCabe read *Little House on the Prairie* during her childhood and visited Wilder sites around the Midwest with her aunt when she was thirteen But then she didn t read the series again until she decided to revisit in adulthood the books that had so influenced her childhood It was this decision that ultimately sparked her desire to visit the places that inspired many of her childhood favorites taking her on a journey that included stops in the Missouri of Laura Ingalls Wilder the Minnesota of Maud Hart Lovelace the Massachusetts of Louisa May Alcott and even the Canada of Lucy Maud Montgomery *From Little Houses to Little Women* reveals McCabe s powerful connection to the characters and authors who inspired many generations of readers Traveling with McCabe as she rediscovers the books that shaped her and ultimately helped her to forge her own path readers will enjoy revisiting their own childhood favorites as well **Triomf** Marlene Van Niekerk,2005-03-29 A scatologocial black satire *Triomf* may be the signal Afrikaans novel of the 1990s A daring vicious and hilarious flight of imagination *The Washington Post* This is the story of the four inhabitants of 127 Martha Street in the poor white suburb of *Triomf* Living on the ruins of old Sophiatown the freehold township razed to the ground as a so called black spot they await with trepidation their country s first democratic elections It is a date that coincides fatefully with the fortieth birthday of Lambert the oversexed misfit son of the house There is also Treppie master of misrule and family metaphysician Pop the angel of peace teetering on the brink of the grave and Mol the materfamilias in her eternal housecoat

Pestered on a daily basis by nosy neighbors National Party canvassers and Jehovah's Witnesses defenseless against the big city towering over them like a vengeful dinosaur they often resort to quoting to each other the only consolation that they know we still have each other and a roof over our heads Triomf relentlessly probes Afrikaner history and politics revealing the bizarre and tragic effect that apartheid had on exactly the white underclass who were most supposed to benefit It is also a seriously funny investigation of the human endeavor to make sense of life even under the most abject of circumstances South Africa as you've never seen it a tale of incest and white trash Funny feisty ferociously clever Gillian Slovo author of *Ten Days* A world class tragicomic novel the kind of book that stabs at your heart while it has you rolling on the floor The New York Times Book Review
