Invitation to Dogmatic Theology Paul C. McGlasson, 2019-05-14 McGlasson's book is a pointed powerful and hard hitting outline and defense of the way dogmatic theology must grow out of and be defined by the canonical shape of the Word in its witness to the risen Lord This is a book that will rustle feathers at a time when feathers need rustling in a church that has allowed our grasp of God's truth to slip away from its scriptural and Christological moorings Written with clarity and helpful argumentative sweep and summary McGlasson raises challenges that must be faced by all pastors seminarians and theologians Ephraim Radner author of Hope among the Fragments A welcome addition to the growing body of literature on theological method and authority Major influences on the author include Brevard Childs and Karl Barth Donald G Bloesch Emeritus Dubuque Theological Seminary Persuaded that both liberal and evangelical theologies fail to convey the mature consensus of historic and canonical Christian faith Paul McGlasson offers a passionate and learned defense of his own proposal Although readers will not find all of his criticisms or suggestions convincing this book will provoke illuminate and display the enduring relevance of dogmatic theology for the life of the church Michael Horton Westminster Seminary Paul C McGlasson is an ordained minister in the Presbyterian Church USA He received his MDiv from Yale Divinity School and his PhD from Yale University in Systematic Theology He is the author of several books including God the Redeemer Canon and Proclamation and Invitation to Dogmatic Theology McGlasson has served the church both as a parish minister and as a

teacher of theology in college and seminary Life in Christ Raniero Cantalamessa, 2016-03-24 In Life in Christ Raniero Cantalamessa preacher to the papal household presents a project of evangelization and spiritual renewal based on St Paul's Letter to the Romans. It is therefore neither an exegetical commentary nor a theological treatise but goes straight to the heart of what animated the Apostle when he wrote this letter. His aim was not to give the Christians of Rome and the Christians of later generations a difficult text on which to exercise their critical wisdom but rather to impart a spiritual gift to them so that they would be strengthened and mutually encouraged by each other's faith. At the beginning of the third millennium a new phenomenon is spreading through the Christian Churches which can only be the work of the Holy Spirit. Up to now Christians of different denominations have proclaimed Jesus Christ mainly in competition and rivalry with one another thus compromising our testimony in the eyes of the world. Why should we not grasp this unique occasion to start proclaiming together with brotherly love our common belief in Christ which is far more important than what still separates us? Pope John Paul II has espoused this project and has expressed the wish that all Christians take this opportunity for fruitful cooperation in the many areas which unite us; these are unquestionably more numerous than those which divide us. Life in Christ is a contribution to the realization of this project. Father Cantalamessa has made the most of the insights and riches present in each one of the three main Christian traditions: Catholic, Orthodox and Protestant, avoiding those points not commonly shared by all believers in Christ or at least by the majority of them. The Letter to the Romans lends itself to this aim because it deals with the basics of the Christian faith leaving all the rest aside. It is the ideal basis for that Common Witness which is becoming more and more central to ecumenical dialogue. This is therefore a first and partial attempt to present a spirituality and a proclamation corresponding to the new grace of understanding and unity given to the Christians in the second half of this century.
