The Londonderrys A Family Portrait:

The Londonderrys, a Family Portrait Harford Montgomery Hyde, 1979 The Londonderry family was part Irish and part English originally Scottish holding titles in both the Irish and United Kingdom peer ages and made substantial contributions to the national life in the fields of politics diplomacy the army travel society and sport besides being land and coal owners on a considerable scale **The Londonderrys** Hyde Londonderry, 1979 *The Marquess of Londonderry* N.C.

Fleming, 2024-02-22 Charles Stewart Henry Vane Tempest Stewart the seventh Marquess of Londonderry has long been a divisive figure in British and Irish history Was he an anti Semitic Nazi sympathizer as some have argued or did he seek to preserve peace in Europe Should he be blamed for the breakdown of the World Disarmament Conference as the Labour party maintained or did he help to preserve the Royal Air Force that ultimately secured victory in the Battle of Britain Was he the founding father of integrated education in Northern Ireland or the friendly face of a sectarian government In the paperback edition of *The Marquess of Londonderry* N C Fleming answers these questions and more This updated and expanded biography draws extensively from private family papers and state papers as well as new scholarship to provide an illuminating and rounded study of an infamous and often misunderstood aristocrat It contains new details about his household and wealth his travels across the British Empire and his ownership of collieries in County Durham Londonderry s political beliefs are fully examined including his attitudes to democracy capitalism women s rights religion trade unions and anti Semitism It charts his diplomatic efforts at the League of Nations and his promotion of Anglo German understanding in response to the aggressive policies of Adolf Hitler Fleming places Londonderry s political career in the context of aristocratic decline and growing calls for social equality He demonstrates how Londonderry defied contemporary expectations by holding on to high office and how he continued to have the attention of powerful figures even after his removal from the government

A Guide to the Papers of British Cabinet Ministers 1900-1964 Cameron Hazlehurst, Sally Whitehead, Christine Woodland, 1996 A Guide to the Papers of British Cabinet Ministers 1900 1964 is the revised and expanded edition of a volume published by The Royal Historical Society in 1974 Up to date information on the papers of 323 ministers from the first edition is provided and its scope has increased from 323 ministers to include all Cabinet ministers until the resignation of Sir Alec Douglas Home as Prime Minister in 1964 This Guide is a major research tool and a source of information on the personal papers of British Cabinet ministers The Ladies of Londonderry Diane Urquhart, 2007-03-10 Against a backdrop of increasing democracy and the associated process of aristocratic decline this book examines the political influence of the leading Tory hostesses the Marchionesses of Londonderry Over one hundred and fifty years from 1800 1959 these women were patrons and confidantes to key political figures such as Disraeli Bonar Law Edward Carson and Ramsay MacDonald By the late 19th century upper class women were at the height of their prowess exerting political sway by private means whilst exploiting more public avenues of political work canvassing addressing meetings and leading the new associations

established in an attempt to educate a mass electorate At that time this hybrid of private and public aristocratic politicking aroused little criticism but by the interwar period the hold that the 7th Marchioness of Londonderry Edith Vane Tempest Stewart allegedly had over MacDonald prompted widespread criticism of her role as the Mother of the National Government The lives of these vibrant and fascinating women have long been overlooked in histories of the nineteenth and early twentieth centuries as well as in studies of conservatism unionism or the aristocracy Despite their social and political importance few of their contemporaries acknowledged their influence partly because of the indirect way that aristocratic women exerted political power and their place in society was essentially defined by their male relatives The Ladies of Londonderry offers the first examination of the powerful political hostesses of the Anglo Irish establishment and sheds considerable light on the workings of 19th and 20th century politics Making Friends with Hitler Ian Kershaw, 2005-10-25 Ian Kershaw's biography of Adolf Hitler is widely regarded as the definitive work on the subject as well as one of the most brilliant biographies of our time In Making Friends with Hitler the great scholar shines remarkable new light on decisions that led to war by tracing the extraordinary story of Lord Londonderry one of Britain's wealthiest aristocrats cousin of Winston Churchill confidant of the king and the only British cabinet member to outwardly support the Nazi party Through Londonderry's tragic tale Kershaw shows us that behind the accepted dogma of English appeasement and German bullying is a much more complicated and interesting reality full of miscalculations on both sides that proved to be among the most fateful in history Genealogies Cataloged by the Library of Congress Since 1986 Library of Congress, 1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress **Association Football and Society in Pre-partition Ireland** Neal Garnham, 2004 Association football has consistently been the most popular sport in Ireland at whatever level it is played amateur or professional But the game itself has uncertain roots This book analyzes in detail the evidence of the development of football in Ireland from its origins to the partition of both the country and the game *Memoir and Correspondence of Viscount Castlereagh, second Marquess of Londonderry. Edited by his brother [C. W. Vane, Marquis of Londonderry].* Robert STEWART (2nd Marquis of Londonderry.), 1848 Memoirs and Correspondence of Viscount Castlereagh, Second Marquess of Londonderry: (v. 1. The Irish rebellion ; v. 2. Arrangements for a union ; v. 3. Completion of the legislative union ; v. 4. Concessions to Catholics and dissenters.
