O'Rourke, 2011-04-14 Anguished beautifully written The Long Goodbye is an elegiac depiction of drama as old as life The

New York Times Book Review From one of America's foremost young literary voices a transcendent portrait of the unbearable anguish of grief and the enduring power of familial love What does it mean to mourn today in a culture that has largely set aside rituals that acknowledge grief After her mother died of cancer at the age of fifty five Meghan O'Rourke found that nothing had prepared her for the intensity of her sorrow In the first anguished days she began to create a record of her interior life as a mourner trying to capture the paradox of grief its monumental agony and microscopic intimacies an endeavor that ultimately bloomed into a profound look at how caring for her mother during her illness changed and strengthened their bond O'Rourke's story is one of a life gone off the rails of how watching her mother's illness and separating from her husband left her fundamentally altered But it is also one of resilience as she observes her family persevere even in the face of immeasurable loss With lyricism and unswerving candor *The Long Goodbye* conveys the fleeting moments of joy that make up a life and the way memory can lead us out of the jagged darkness of loss Effortlessly blending research and reflection the personal and the universal it is not only an exceptional memoir but a necessary one *The Long Good-bye* Raymond Chandler, 2013-07-24 Down and out drunk Terry Lennox has a problem his millionaire wife is dead So he turns to his only friend in the world Philip Marlowe Private Investigator Marlowe's willing to help a man down on his luck but Lennox commits suicide in Mexico and things start to turn nasty Marlowe finds himself drawn into a sordid crowd of adulterers and alcoholics in LA's Idle Valley where the rich are suffering one big suntanned hangover Marlowe is sure Lennox didn't kill his wife but how many more stiffies will turn up before he gets the truth The Green Popular Penguins Story It was in 1935 when Allen Lane stood on a British railway platform looking for something good to read on his journey His choice was limited to popular magazines and poor quality paperbacks Lane's disappointment at the range of books available led him to found a company and change the world In 1935 the Penguin was born but it took until the late 1940s for the Crime and Mystery series to emerge The genre thrived in the post war austerity of the 1940s and reached heights of popularity by the 1960s Suspense compelling plots and captivating characters ensure that once again you need look no further than the Penguin logo for the scene of the perfect crime *The Long Goodbye* Margaret R. Miles, 2017-02-02 *The Long Goodbye* Dementia Diaries discusses a disease that is both personal and social for more than five million patients and their families and friends in the United States today Now that there are medical strategies for preventing and or curing strokes heart attacks even cancer many more people are going to live into the dementia years in the near future Although many dementia horror stories circulate in conversation and in the media they are not the whole story Creative approaches to loving a dementia patient can make for a valuable learning experience for family and caregivers In *The Long Goodbye* Margaret Miles describes her commitment to making rather than passively suffering her spouse's dementia experience Family and friends who accompany patients find embedded in the experience moments of great beauty hilariously funny incidents new companions and life insights The narrative provides both a travelogue and suggestions for a richly meaningful life passage
