The Long Island Story

Peter Eisenstadt

The Long Island Story:

The Human Story of Long Island Verne Dyson, 1969 *Women in Long Island's Past* Natalie A. Naylor, 2012-10-23

Women have been part of Long Island's past for thousands of years but are nearly invisible in the records and history books. From pioneering doctors to dazzling aviatrixes, author Natalie A. Naylor brings these larger than life but little known heroines out of the lost pages of island history. Anna Symmes Harrison, Julia Gardiner Tyler, Edith Kermit Roosevelt and Eleanor Roosevelt all served as first lady of the United States and all had Long Island roots. Beloved children's author Frances Hodgson Burnett wrote *The Secret Garden* here and hundreds of local suffragists fought for their right to vote in the early twentieth century. Discover these and other stories of the remarkable women of Long Island. **The Long Island Historical Journal** Roger Wunderlich, 1996 *Making Long Island* Lawrence R. Samuel, 2023-10-02. Discover the history of the development of Long Island and its intimate relationship with New York City. Beginning in the Roaring Twenties, Wall Street money looked eastward to Nassau and Suffolk counties looking to generate wealth from a land boom. After the Great Depression and World War II, Long Island was the site of the creation of the quintessential postwar American suburb, Levittown. Levittown and its spinoff suburban communities served as a primary symbol of the American dream through affordable home ownership for the predominately White middle class and established a core attribute of the national mythology. Starting in the 1960s, the dream began to dissolve as the postwar economic engine ran out of steam and Long Island became as much urban as suburban. Author Lawrence R. Samuel charts how the island evolved over the decades and largely detached itself from New York City to become a self-sustaining entity with its own challenges, exclusions, and triumphs. *Lake Ronkonkoma in History and Legend, the Princess Curse and Other Stories: a Lifeguard's View* Dr. David S. Igneri, 2013-07-22. The History and Legends of Lake Ronkonkoma, the Princess Curse and Other Stories: A Lifeguard's View discusses the history and the folklore of Long Island's largest lake. It builds a strong case for the Princess legend. The author consulted professional opinions of paranormal experts who generally believe curses are real, not superstition. He also consulted many sources on Lake Ronkonkoma to focus in on the fact that a young male has drowned almost every year and that few females have died in the Lake. In fact, it remains that possibly only one female lost her life. Her official cause of death was kidney failure caused by secondary drowning. The volume also chronicles the lifeguard career of the author, David S. Igneri. His lifeguards at the lake and his other beaches were in general gifted athletes. However, to lifeguard Lake Ronkonkoma, they needed specific training that was not covered in their regular lifeguard preparation. At first, Igneri himself did not totally understand the task before him. However, he sought advice from older lifeguards and read everything he could about Ronkonkoma and formulated a program. In his early years, he did not believe in the Princess Curse at all and believed it was only superstition. His experiences during that time made him re-think his views. Gradually, he realized that some force or entity was causing or helped causing the many deaths. David Igneri began to change his policies at Lake Ronkonkoma on July 5, 1965. He totally

believes that the spirits told him what to do His goal became to protect and save all of the people all of the time and stop the legend After reading this volume you will have to decide for yourself how much success he had in this endeavor Short Stories Are Not Real Life David R. Slavitt,1999-03-01 In these fourteen beautifully crafted stories David R Slavitt shows his mastery of the form Elegant spare sometimes funny sometimes elegiac this collection reflects a writer in admirable control of his craft The title story complete with footnotes la The Norton Anthology of Short Fiction braids together the tidy conventions of fiction and the brutal reality of New York as a writing teacher ponders s student s sexually explicit story that may or may not be autobiographical In The Impostor a writer s brother exploits the legerdemain of fiction in a series of ever bolder impersonations Several of the stories are presented by emotionally wounded narrators disillusioned men looking for a hint of grace in a world where expectations are frequently doomed to disappointment In such a world only one thing is certain we will hurt and be hurt by the ones we love And in the vacuum left when traditions that might have been redemptive have lost their meaning punishment gets to be a habit a way of life or at least something to hold onto The stories pivot on nuance on the half realized insight on some perfectly innocent and insignificant insight on some perfectly innocent and insignificant gesture that turns round and grows into a medium to large awkwardness We find what the divorced father futilely awaiting his daughter s visit in Hurricane Charlie calls dabblers in distress lonely decent people trying to discover where love and life went In Simple Justice a man striving for some definitive family memory compares the process to archaeology The shards that remain are pathetically small and almost grudging Thus through the faltering memory of an elderly cousin in confluences a man becomes a kind of incarnation of his own father and for a moment finds himself at the vanishing point where a lost past meets an unknowable future in The long Island Train a simple anecdote becomes a metaphor for the opacity of the most apparently transparent human intentions Yet it is often these shard of tradition and memory that seem to hold our only promise of transcendence The protagonist of Grandfather for example through his reluctant participation in his grandson s bris finds a moment of reconciliation with a past that has broken loose of its moorings Even the most experimental of these pieces Instructions a list of admonitions ranging from the quotidian to the cosmic shows a deep humanity and a maturity of vision that steers adeptly between humor and despair These stories will linger in the reader s memory long after the book is closed **A Dangerous Woman, New York's First Lady Liberty** Victor H. Cooper,1995-01-01 A brilliant portrait of a woman driven by her own beliefs and values to make a positive difference in the world In 1643 she started the town of Gravesend currently a part of New York City s Brooklyn with a charter granting residents religious freedom She was the first woman in North America to establish a self governing religiously tolerant township and the first woman to vote as a householder in an election Long Island Food T.W. Barritt,2015-09-14 Beyond its crowded highways Long Island serves up a plentiful eclectic bounty with a side of history Enticing appetites from Nassau to Montauk food writer and Long Island native T W Barritt explores how immigrant families built a still thriving agricultural community producing everything from

crunchy pickles and hearty potatoes to succulent Long Island duckling Experience the rise and fall of Long Island s bustling oyster industry and its reemergence today And meet the modern day pioneers in community agriculture wine cheese fine dining and craft spirits who are reinventing Long Island s food landscape and shaping a delicious future The Encyclopedia of New York State Peter Eisenstadt,2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State **The New England Story-book** Adeline Dutton Train Whitney,1880

While this might not be the The Long Island Story full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Long Island Story eBooks, including some popular titles.

FAQs About The Long Island Story Books

What is a The Long Island Story PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Long Island Story PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Long Island Story PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Long Island Story PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Long Island Story PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
