The Ludic Imagination Kenneth Simons,1985 [The Ludic Imagination](#) Kenneth Simons,1985 **Joseph Conrad** Tim Middleton,2013-05-13 The popular yet complex work of Joseph Conrad has attracted much critical attention over the years from the perspectives of postcolonial modernist cultural and gender studies This guide to his compelling work presents an accessible introduction to the contexts and many interpretations of Conrad s texts from publication to the present an introduction to key critical texts and perspectives on Conrad s life and work situated in a broader critical history cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of Joseph Conrad and seeking not only a guide to his works but also a way through the wealth of contextual and critical material that surrounds them **Joseph Conrad's Critical Reception** John G. Peters,2013-04-29 This book provides a comprehensive up to date history of the commentary written about the life and works of Joseph Conrad [A Historical Guide to Joseph Conrad](#) John Peters,2010 Joseph Conrad achieved worldwide literary renown in his third language Despite not having learned English until his twenties Conrad succeeded in breaking new ground with his portrayal of anti heroes distinctive narrative style becoming a major influence on 20th century English language fiction **Conrad and Gide** Russell West-Pavlov,2023-04-17 This study examines the relations between the work of the Polish English novelist Joseph Conrad and the French Nobel Prize winner Andr Gide Gide s translation of Conrad s Typhoon is read as a work belonging paradoxically to the oeuvres of both writers where their respective preoccupations meet with illuminating results Focusing also on other major works by Conrad and Gide the study suggests that the intertextual and personal interaction between these two masters of 20th Century fiction was governed by processes of identification and projection conflict between master and disciple and a consequent resistant reading of texts and confrontation with linguistic and cultural heterogeneity Issues of translation theory psychoanalysis and intertextuality are brought together to offer a glimpse of a possible dialogue between literature and ethics This study will be of interest to students and researchers in English French and Comparative Literature *Image and Ideology in Modern/Postmodern Discourse* David B. Downing,Susan Bazargan,1991-01-01 This book addresses the function and status of the visual and verbal image as it relates to social political and ideological issues The authors first articulate some of the lost connections between image and ideology then locate their argument within the modernist postmodernist debates The book addresses the multiple trans disciplinary problems arising from the ways cultures authors and texts mobilize particular images in order to confront conceal work through or resolve contradictory ideological conditions **Joseph Conrad** Keith Carabine,1992 *Masculinity and the New Imperialism* Bradley Deane,2014-05-29 At the end of the nineteenth century the zenith of its imperial chauvinism and jingoistic fervour Britain s empire was bolstered by a surprising new ideal of manliness one that seemed less English than foreign less concerned with moral development

than perpetual competition less civilized than savage This study examines the revision of manly ideals in relation to an ideological upheaval whereby the liberal imperialism of Gladstone was eclipsed by the New Imperialism of Disraeli and his successors Analyzing such popular genres as lost world novels school stories and early science fiction it charts the decline of mid century ideals of manly self control and the rise of new dreams of gamesmanship and frank brutality It reveals moreover the dependence of imperial masculinity on real and imagined exchanges between men of different nations and races so that visions of hybrid masculinities and honorable rivalries energized Britain's sense of its New Imperialist destiny *The Secret Sharer and Other Stories (Norton Critical Editions)* Joseph Conrad, 2015-08-03 This Norton Critical Edition includes four stories two set on stormy seas two on calm seas all four based on the same incident that speak to each other in interesting ways The stories in this Norton Critical Edition maintain the connection and sequencing that Joseph Conrad saw among them In his Author's Note to *Twixt Land and Sea* Conrad writes of his two Calm pieces *The Secret Sharer* and *The Shadow Line* and his two Storm pieces *The Nigger of the Narcissus* and *Typhoon* This edition is based on the first English book edition for the stories and the first American edition for the Author's Note for *The Shadow Line* *Typhoon* and *The Secret Sharer* The stories are accompanied by explanatory annotations a note on the texts including a list of textual emendations and a preface *Backgrounds and Contexts* brings together relevant correspondence and contemporary reviews from both British and American sources Also included are documents related to Conrad's sources for the stories among them Charles Arthur Sankey's *Ordeal of the Cutty Sark A True Story of Mutiny Murder on the High Seas* To help readers navigate the editor includes a glossary of nautical terms as well as diagrams of the kinds of ships that appear in the stories *Criticism* includes fifteen essays representing both new and established voices The essays are arranged by story with the focus on Conrad's major themes colonialism narrative gender and race Albert J Guerard Lillian Nayder Mark D Larabee Fredric Jameson F R Leavis and John G Peters are among the contributors A chronology of Conrad's life and work and a selected bibliography are also included
