of His presence **Unlikely** Kevin Palau, 2015-06-02 In 2007 Kevin Palau and a few dozen pastors approached Portland's mayor and posed the question How can we serve you with no strings attached Officials identified five initial areas of need hunger homelessness healthcare the environment and public schools and so began a partnership CityServe between the city and a band of churches seeking to live out the gospel message Since then the CityServe model has spread like wildfire inspiring communities across the country to take up the cause in their own cities Provided by publisher **God's Grace** Luis Palau, 2007 Luis Palau one of the best known evangelists in the world today has spent years traveling the world sharing the gospel God's Grace brings together stories Palau has gathered on his travels These stories often beginning with the words You won't believe what happened to me unfold to reveal an unusual and frequently miraculous series of events that transformed the life of the storyteller These poignant snapshots of ordinary people and the miracles that have entered their lives are sure to touch every heart Inside are stories of hope and healing understanding and trust belief in the face of the impossible Each miraculous story is followed by an appropriate selection from scripture In one a woman begins praying for someone she has never met and finds out what a difference her prayers have made In another a family who cannot afford fuel for the winter receives a desperately needed gift Read about a mysterious stranger who appears to help fix a broken down car refusing payment or thanks Or a young police officer in the line of fire who prays for safety and is saved Through its simple true life stories God's Grace illustrates the small often mysterious ways in which God orchestrates events to create something positive amid the confusion and pain of daily life and shows that even when His intentions are not immediately clear God gives each individual what he or she needs most **Where is God when Bad Things Happen?** Luis Palau, 1999 An international evangelist helps those in pain come to grips with the crushing adversities of life by pointing them to the limitless resources found in God *The Rebirth of Latin American Christianity* Todd Hartch, 2014-04 Predominantly Catholic for centuries Latin America is still largely Catholic today but the religious continuity in the region masks great changes that have taken place in the past five decades In fact it would be fair to say that Latin American Christianity has been transformed definitively in the years since the Second Vatican Council Religious change has not been obvious because its transformation has not been the sudden and massive growth of a new religion as in Africa and Asia It has been rather a simultaneous revitalization and fragmentation that threatened awakened and ultimately brought to a greater maturity a dormant and parochial Christianity New challenges from modernity especially in the form of Protestantism and Marxism ultimately brought forth new life In *The Rebirth of Latin American Christianity* Todd Hartch examines the changes that have swept across Latin America in the last fifty years and situates them in the context of the growth of Christianity in the global South
