Sherwin, 2017-07-05 What are the consequences when law s stories and images migrate from the courtroom to the court of public opinion and from movie television and computer screens back to electronic monitors inside the courtroom itself What happens when lawyers and public relations experts market notorious legal cases and controversial policy issues as if they were just another commodity What is the appropriate relationship between law and digital culture in virtual worlds on the Internet In addressing these cutting edge issues the essays in this volume shed new light on the current status and future fate of law truth and justice in our time Jews and the Law Ari Mermelstein, Victoria Saker Woeste, Ethan Zadoff, Marc Galanter, 2014-06-10 Jews are a people of law and law defines who the Jewish people are and what they believe This anthology engages with the growing complexity of what it is to be Jewish and more problematically what it means to be at once Jewish and participate in secular legal systems as lawyers judges legal thinkers civil rights advocates and teachers The essays in this book trace the history and chart the sociology of the Jewish legal profession over time revealing new stories and dimensions of this significant aspect of the American Jewish experience and at the same time exploring the impact of Jewish lawyers and law firms on American legal practice This superb collection reveals what an older focus on assimilation obscured Jewish lawyers wanted to
