Second Shapes and Measurement Bev Dunbar, 2003
Excel Maths Early Skills
Second Shapes and Measurement will further your child's knowledge of a range of different shapes and give them practice in measuring shapes and pictures in different ways. Book 3 in this series. First Shapes and Measurement introduced your child to these concepts but this book will develop your child's skills in comparing two or more objects by different features, drawing a range of different shapes and objects, drawing positions, e.g. on top, in, under, putting events in to the correct order, finding paths through mazes. The activities in each book are divided into double pages. Each double page allows your child to practise one particular skill many times so that the skill is reinforced. This also makes it easier for you, the parent, you can help your child with one skill at a time. A clear, easy to follow page design has been developed with clear explanations to help both parents and children.
