**Sex in Public** Lauren Rosewarne, 2009-03-26 Despite decades of feminist awareness and activism women continue to be portrayed in outdoor advertising in a limited and sexist manner The fact that in public space audiences are exposed to such images without choice renders the issue an important public policy concern Sex in Public utilises a large outdoor advertising data collection to examine the contemporary outdoor advertising landscape documenting the routine portrayal of women as thin white young and idle This book examines why such portrayals are concerning for feminists as well as for public policy and explores the advertising self regulation systems that facilitate the display of such images This book criticises sexist outdoor advertising as a form of sexual harassment given that imagery often bearing very strong semblance to pin ups which would be outlawed in a workplace are readily displayed in public space reflecting a troublesome public policy double standard Understanding sexist outdoor advertising as a form of sexual harassment is a new framework that Sex in Public offers to understand critique and condemn such images

Branded Male Mark Tungate, 2008 The male market is exploding Thanks to emerging social and cultural trends men are becoming consumers to reckon with In 1990 only 4% of men claimed to regularly use a skin care product By 2015 the figure will have risen to 50% Branded Male discusses the evolution of the male consumer and the desire of marketers to tap into the still underdeveloped male market Crammed with facts and anecdotes Branded Male analyses how to effectively brand products and services for the male market Using a typical modern male s weekday as a template and examining all the influences affecting him the book considers his exposure to brands and the ways marketers can exploit these channels taking you through popular strategies for marketing to men In his trademark style Mark Tungate the author of Fashion Brands Branding Style from Armani to Zara paints a portrait of the male consumer From razor blades to beer from aftershave to hotels he finds out which marketing messages have the most impact on male wallets Men s bank balances may never be the same again

**The Korean Wave in a Post-Pandemic World** Geon-Cheol Shin, Mark D. Whitaker, 2023-11-02 This book presents an analysis of how the economic Korean Miracle spread into the cultural Korean Wave Hallyu First only in Asian countries and then around the world the rising popularity of the Korean Wave continued within the pandemic despite or even because of policies of digital lockdowns Partially this has been by design as Korea for decades has had a very strong fast development drive in telecommunications and that aided the growth of its cultural wave Partially however this became exclusively by default how the Korean Wave had to spread

increasingly in a digital manner after 2020 globally in response to many countries rules regarding the COVID 19 pandemic in their attempts to enforce a decline in face to face content consumption In retrospect this has meant only more digital growth and innovation for the Korean Wave in past years compared to other cultures entertainment complexes that suffered more Korea s earlier digital readiness combined with later lockdownconditions and pushed the Korean Wave further ahead Despite the ending of COVID 19 lockdowns in many countries a greater digital aftermath will continue in the cultural industry and in the economy in general This is due to changes created in cultural preferences in organizational investments and in communication technologies due to those lockdowns Thus the authors examine how the Korean Wave coped actively with a pronounced digital shift by default in all aspects of media including production distribution and consumption In turn they examine how the greater digital shift in the world s culture and economy influenced the Korean Wave s entertainment performances TV dramas and cosmetics among other areas The authors analyze general trends in the Korean Wave s economics culture and technology along with specific strong cases of the K pop boy group BTS the cosmetics manufacturer Cosmax and the television series Squid Game Since the Korean Wavecontinues to grow in popularity within a more exclusive digital socialization future implications of such a competitive digital world economy and multi polar digital world culture are discussed for all countries as well

**The New Science of Perfect Skin** Daniel Yarosh, PH.D.,2008-05-06 Finally the ultimate beauty bible that gives you everything you need to navigate the dizzying array of claims made by cosmetic companies and to create your own personalized regimen for perfect skin We all want glowing radiant skin no matter what our age but with all the skin care options on the market today it s easy to feel overwhelmed by choices Do you really need a cleanser and a toner Do designer brands from Hollywood doctors really work Are antioxidants the next true anti aging breakthrough and is there a Botox free way to make wrinkles actually disappear And most important how can you know which products are really worth your money and your time As a thirty year veteran of the beauty world with experience developing and testing products for brands like Est e Lauder and L Oreal Daniel Yarosh Ph D understands your skin from the inside out And he knows how to separate the help from the hype Today there are plenty of true skin care miracles that can deliver amazing results and in The New Science of Perfect Skin Yarosh gives you everything you need to identify and choose the best most effective products without blowing your beauty budget You will learn how to Decode product labels and spot marketing hype Know which highly touted ingredients really work and which don t Use the latest proven innovations including DNA repair to see remarkable changes in just a few weeks time Streamline your skin care routine by using smart products that contain multiple active ingredients Avoid paying more for high end brands when drugstore brands have bigger benefits Bringing a scientist s eye to the cosmetics industry Yarosh delivers the inside scoop that will help you achieve flawless skin No woman can afford to go to the drugstore cosmetics counter or spa without this eye opening must have guide This book is about the New Skin Care Revolution The good news is that today there are products that really work The bad

news is that there's never been more confusion and uncertainty about which products get results and which are a waste of money and time. Consumers are bombarded by enticing ads featuring models and celebrities with creamy flawless skin, salesclerks spouting pseudoscience at cosmetics counters, and countless articles in women's magazines puffing up the Very Best New Thing each month. So how do you know what really works? I'm going to tell you. Because I understand skin care products from the inside out, I can separate fact from myth, help from hype, and gems from junk, and let you know what has been overpraised and overlooked. I'll be naming names and telling tales of products that deliver, and those that are little more than a puff of smoke and a funhouse mirror. I'll explain the true breakthroughs in today's skin care science and the techniques that can truly rejuvenate skin. Ultimately, instead of succumbing to the inevitable aging process, you'll find yourself with a fresh, natural beauty that continues to unfold with time. So welcome to the New Skin Care Revolution. Let's get started.
