Sky Dancer:

Skydancer Geoffrey Archer, 2015-01-26 Project Skydancer was the brainchild of the Ministry of Defence Beautiful and terrifying in its simplicity DS29 had designed new warheads for Polaris missiles warheads that with consummate ease could evade the new batteries of anti ballistic missiles the Russians had set up around their prime military targets For Aldermaston scientist Peter Joyce it was the pinnacle of his career Until his documents from the project turned up one chilly October morning on Parliament Hill and the Ministry s prime suspect committed suicide leaving him with only two alternatives write off a billion pound project or approve tests which could give Russia the power to wipe out the West at the touch of a button

Skydancer J. DeBree, 2025-09-16 Humanity is on the brink of destruction Our only remnant of hope lies with a secret phantom fleet of starships each racing toward a distant world If even one survives it may carry the spark to seed a new home and give humanity a chance to begin again Aboard the Skydancer Commander Zara Deitrick leads her crew on this impossible voyage But when a catastrophic explosion cripples the ship Zara makes the fateful choice to deactivate its advanced automated systems Stripped of the intricate web of technology meant to sustain them for centuries the crew must now rely solely on their own skill resolve and unity The path they choose will decide not only their survival but the very nature of their society their descendants will inherit In the silence between the starts every decision will echo through the civilization yet to come Within the pages of this book lay a hidden key to a greater truth Look here and you ll find a puzzle of sorts has been planted for those who look beyond and choose to challenge the carefully curated narrative The solution and its meaning may forever alter the status quo of humanity *Wild Desire* Cassie Edwards, 2015-03 In 1881 while on assignment to record the native culture and landscape of the Arizona Territory photographer Stephanie Helton becomes captivated by
