

The background of the entire image is a deep space photograph. It features a dense field of stars of varying brightness against a black void. Two prominent galaxies are visible: one in the upper right corner, appearing as a bright, irregular pinkish-purple cloud, and a larger, more structured galaxy in the lower right, showing a bright yellowish-white core surrounded by pinkish-purple dust and gas. The overall color palette is dominated by the blacks and greys of space, punctuated by the vibrant colors of the celestial objects.
