WD Farr Daniel Tyler, 2012-09-14 Always a better way was WD Farr's motto As a Colorado rancher banker cattle feeder and expert in irrigation Farr 1910-2007 had a unique talent for building consensus and instigating change in an industry known for its conservatism With his persistent optimism and gregarious personality Farr's influence extended from next door neighbors and business colleagues to U.S. presidents and foreign dignitaries In this biography Daniel Tyler chronicles Farr's singular life and career At the same time he tells a broader story of sweeping changes in agricultural production and irrigated agriculture in Colorado and across the West during the twentieth century WD was a third generation descendant of western farming pioneers who specialized in sheep feeding While learning all he could from his father and grandfather WD developed a new vision to make cattle profitable He sought out experienced livestock experts to help him devise ways to produce beef year round When World War II ended and the troops came home tired of wartime mutton the beef industry took off With his new innovations in place WD was ready Tyler also reveals WD's influence in securing water supplies for farmers and ranchers and in establishing water conservation policies Early in his

career WD helped sell the Colorado Big Thompson Project to skeptical debt ridden farmers In 1955 he became a board member for the Northern Colorado Water Conservancy District a post he held for forty years Tyler bases his portrait of WD Farr on extensive archival research and dozens of interviews with people who knew him personally or by reputation In the end Tyler shows that although not everybody agreed or will agree with Farr s stands on particular issues this cowboy in the boardroom led by his own example By embracing change and seeking consensus rather than forcing his will on others his greatest legacy as revealed in this book may be the model of leadership he provided *National Parks of the West* ,2002 National Parks of the West Fodor s Road Guide National Parks of the West gives you everything to see and do in America s western parks Experience the best nature trails scenic overlooks ranger programs and picnic spots in each of the West s 33 national parks Plan the perfect adventure Hiking boating bird watching horseback riding bicycling and more whatever your sport get detailed information on how and where to make the most of the great outdoors Great maps and itineraries for park to park driving tours take you through dramatic landscapes Savvy one to five day itineraries help you plan your stay Listings for restaurants motels and campgrounds help you choose spots in all price ranges inside and outside the parks And with your purchase of Road Guide National Parks of the West you will receive 5 off a National Parks pass Sales of this book help support the national parks All text in this book was reviewed for accuracy by National Park Service personnel *Network World* ,1995-01-16 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,1990 **Semantic Technology** Hideaki Takeda,Yuzhong Qu,Riichiro Mizoguchi,Yoshinobu Kitamura,2013-04-08 This book constitutes the proceedings of the Second Joint International Semantic Technology Conference JIST 2012 held in Nara Japan in December 2012 The 20 full papers and 13 short papers included in this volume were carefully reviewed and selected from 90 submissions The regular papers deal with ontology and description logics RDF and SPARQL learning and discovery semantic search knowledge building semantic Web application The in use track papers cover topics on social semantic Web and semantic search and the special track papers have linked data in practice and database integration as a topic *Network World* ,1995-12-25 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce **1978 NASA Authorization** United States.
