*Claudian's In Eutropium, Or, How, When, and why to Slander a Eunuch* Jacqueline Long,1996 My second reason is sketchy and perhaps fanciful Claudian so completely took possession of the figure of Eutropius that I imagine it would have been difficult for him afterwards to distinguish fully the real eunuch from his artistic image He represents the real eunuch damningly by an exuberant literary caricature Where such creativity has been lavished a pleasure results I cannot but love the literary creation having studied him I suspect that Claudian felt the same Jacqueline Long author     Air Defense Artillery ,1988     **American Law Reports Annotated** ,1921     American Digest ,1929     **California. eminent historians of eighteenth century France he here weaves a tale so full of intrigue that it may seem too extravagant to be true although all its details can be confirmed in the archives of the French police and diplomatic service Part detective story part revolutionary history The Devil in the Holy Water has much to tell us about the nature of authorship and the book trade about Grub Street journalism and the shaping of public opinion and about the important work that scurrilous words have done in many times and places      **D.O.A. - Not Exactly** J.
