Kurt Vonnegut Furthermore it will make use of this connection in order to suggest why Kurt Vonnegut wrote this book Pilgrim who is an American World War II veteran and survived the allied air raid on Dresden in early 1945 strikes the reader as a very eccentric person He believes that he has come unstuck in time Vonnegut 1991 p 23 and time travels to his childhood to his wedding to the Battle of the Bulge and to the air raid But not only that he has lost control over the temporal aspects of his life he furthermore believes that he has been kidnapped by aliens from the planet Tralfamadore and taken to their world as an exhibit in a terrarium In order to point out the close relationship between the author and the main character I will subdivide this paper into several sections shortly giving information about the author s biography and providing a quick summary of Slaughterhouse Five This information has to be considered and related in order to understand Vonnegut s motivation for writing this novel It is vital to realize that Pilgrim is Vonnegut and that whatever Pilgrim feels is what Vonnegut experienced in his life [CliffsNotes on Vonnegut's Slaughterhouse-Five](#) Dennis S Smith,2007-08-15 An odd book in that it mixes elements of science fiction with psychological analysis Slaughterhouse Five tells the story of Billy Pilgrim a GI prisoner of war He time travels and wanders through a mysterious ether where spatial temporal relationships are at odds with what we accept as reality *Reading, Learning, Teaching Kurt Vonnegut* Paul Lee Thomas,2006 Our English classrooms are often only as vibrant as the literature that we teach This book explores the writing of contemporary American author Kurt Vonnegut who offers readers and students engaging fiction and nonfiction works that confront the reader and the world Here teachers will find an introduction to the life and works of Vonnegut and an opportunity to explore how to bring his works into the classroom as a part of the reading and writing curriculum This volume attempts to confront what we teach and how we teach as English teachers through the vivid texts Vonnegut offers his readers
