Peyre who abused him along with her slaves As he wrote himself he was an infidel and libertine a servant of slaves of West Africa In 1748 he was rescued and returned home and it was on this voyage that he experienced his spiritual conversion Though avoiding profanity women gambling and drinking he continued in the slave trade taking up a position on a ship bound for the West Indies and then making three further voyages as a captain of slave ships In 1755 after suffering a severe stroke he turned away from seafaring and pursued a path to the priesthood becoming the curate at Olney in 1764 His Authentic Narrative as it was called is a remarkable no holds barred account of the African slave trade as well as an account of his struggle between religion and the flesh
