

Map 11: Overview of the Transatlantic Slave Trade, 1501-1867

Slave Trade

John R. Spears

Slave Trade:

The Slave Trade Hugh Thomas, 2013-04-16 After many years of research award winning historian Hugh Thomas portrays in a balanced account the complete history of the slave trade Beginning with the first Portuguese slaving expeditions Hugh Thomas describes and analyzes the rise of one of the largest and most elaborate maritime and commercial ventures in all of history Between 1492 and 1870 approximately eleven million black slaves were carried from Africa to the Americas to work on plantations in mines or as servants in houses The Slave Trade is alive with villains and heroes and illuminated by eyewitness accounts Hugh Thomas's achievement is not only to present a compelling history of the time but to answer controversial questions as to who the traders were the extent of the profits and why so many African rulers and peoples willingly collaborated

The Transatlantic Slave Trade James A. Rawley, Stephen D. Behrendt, 2005-12-01 The transatlantic slave trade played a major role in the development of the modern world It both gave birth to and resulted from the shift from feudalism into the European Commercial Revolution James A Rawley fills a scholarly gap in the historical discussion of the slave trade from the fifteenth to the nineteenth century by providing one volume covering the economics demography epidemiology and politics of the trade This revised edition of Rawley's classic produced with the assistance of Stephen D Behrendt includes emended text to reflect the major changes in historiography current slave trade data tables and accompanying text updated notes and the addition of a select bibliography

The Atlantic Slave Trade Johannes Postma, 2003-06-30 Drawing on surviving firsthand accounts the author explains the context of the slave trade from the moment of enslavement in Africa to the sale of the slaves in American markets

The Slave Trade Tom Monaghan, 2008 Examines the questions behind slavery and the slave trade with a survey from the ancient world to the practice of slavery

The Dutch Slave Trade, 1500-1850, 2006 Dutch historiography has traditionally concentrated on colonial successes in Asia However the Dutch were also active in West Africa Brazil New Netherland the present state of New York and in the Caribbean In Africa they took part in the gold and ivory trade and finally also in the slave trade something not widely known outside academic circles P C Emmer one of the most prominent experts in this field tells the story of Dutch involvement in the trade from the beginning of the 17th century much later than the Spaniards and the Portuguese and goes on to show how the trade shifted from Brazil to the Caribbean He explains how the purchase of slaves was organized in Africa records their dramatic transport across the Atlantic and examines how the sales machinery worked Drawing on his prolonged study of the Dutch Atlantic slave trade he presents his subject clearly and soberly although never forgetting the tragedy hidden behind the numbers the dark side of the Dutch Golden Age which makes this study not only informative but also very readable

The Atlantic Slave Trade from West Central Africa, 1780-1867 Daniel B. Domingues da Silva, 2017-06-26 The Atlantic Slave Trade from West Central Africa 1780 1867 traces the inland origins of slaves leaving West Central Africa at the peak period of the transatlantic slave trade Drawing on archival sources from Angola Brazil England and Portugal Daniel B

Domingues da Silva explores not only the origins of the slaves forced into the trade but also the commodities for which they were exchanged and their methods of enslavement. Further, the book examines the evolution of the trade over time, its organization, the demographic profile of the population transported, the enslavers' motivations to participate in this activity, and the Africans' experience of enslavement and transportation across the Atlantic. Domingues da Silva also offers a detailed geography of enslavement, including information on the homelands of the enslaved Africans and their destination in the Americas.

The Atlantic Slave Trade and Black Africa Paul Edward Hedley Hair, 1978 The Navy and the Slave Trade Christopher Lloyd, 2012-11-12 This work shows the extent to which the shipping of Africans to the Americas continued after the Abolition Act of 1807.

Stand the Storm Edward Reynolds, 1985 The best short history of the African slave trade in print, tracing the impact of the trade on both Africa and the West, showing the resilience of African societies and, along the way, demolishing a good many historical myths. Remarkably comprehensive, clearly and simply written, and uncluttered with figures and tables. Choice.

The Transatlantic Slave Trade Alexander Täuschel, 2008-12-09 Essay from the year 2007 in the subject American Studies, Culture and Applied Geography, grade 1.7, University of Frankfurt/Main, Institut für England und Amerikastudien, course Discourses of Slavery, language English, abstract: This essay has been written as an elaboration of my presentation of the subject Transatlantic Slave Trade in the seminar Discourses of Slavery in summer term 2007. It is supposed to give essential information concerning the subject. It involves investigations on how the Atlantic Triangle worked, goods, profits, figures, the history of the Slave Trade with particular focus on the Middle Passage, circumstances, figures, as well as negative and positive long-term effects of the slave trade on the Americas and on Africa. It concludes with an overview of important dates related to the Transatlantic Slave Trade.

Captives as Commodities Lisa A. Lindsay, 2008 Part of Prentice Hall's Connection Key Themes in World History series. Written based on the author's annual course on slave trade. *Captives as Commodities* examines three key themes: 1. the African context surrounding the Atlantic slave trade; 2. the history of the slave trade itself; and 3. the changing meaning of race and racism. The author draws recent scholarship to provide students with an understanding of Atlantic slave trade.

The Slave Trade James Walvin, 2011-04-26 The sixteenth-century Spanish and Portuguese explorers who went to Africa in search of gold discovered an even more lucrative cargo: slaves. A hugely profitable transatlantic trade in human lives soon developed, linking the continents of Europe, Africa, and the Americas, and great fortunes were built. Africans and their descendants cultivated sugar throughout the Caribbean and Brazil, and tobacco, cotton, and rice in the American South. A fervent abolitionist campaign eventually succeeded in changing public opinion and forced governments to outlaw it, but the Atlantic slave trade persisted well into the nineteenth century with incalculable human costs. James Walvin is an expert guide to the origins, development, eventual abolition, and legacies of the slave trade, focusing on the experiences of those who lived through slavery. The ten facsimile documents include plans and logs of slave ships and auction sale notices, as well as private letters and emancipation proclamations. A wealth of evocative images.

photographs paintings objects and contemporary maps give further insight into the horrors and global impact of the transatlantic slave trade

Carry Me Back Steven Deyle, 2005-04-14 Originating with the birth of the nation itself in many respects the story of the domestic slave trade is also the story of the early United States While an external traffic in slaves had always been present following the American Revolution this was replaced by a far more vibrant internal trade Most importantly an interregional commerce in slaves developed that turned human property into one of the most valuable forms of investment in the country second only to land In fact this form of property became so valuable that when threatened with its ultimate extinction in 1860 southern slave owners believed they had little alternative but to leave the Union Therefore while the interregional trade produced great wealth for many people and the nation it also helped to tear the country apart The domestic slave trade likewise played a fundamental role in antebellum American society Led by professional traders who greatly resembled northern entrepreneurs this traffic was a central component in the market revolution of the early nineteenth century In addition the development of an extensive local trade meant that the domestic trade in all its configurations was a prominent feature in southern life Yet this indispensable part of the slave system also raised many troubling questions For those outside the South it affected their impression of both the region and the new nation For slaveholders it proved to be the most difficult part of their institution to defend And for those who found themselves commodities in this trade it was something that needed to be resisted at all costs *Carry Me Back* restores the domestic slave trade to the prominent place that it deserves in early American history exposing the many complexities of southern slavery and antebellum American life

The Transatlantic Slave Trade Siyavush Saidian, 2017-12-15 When European settlers first started their migration to the Western Hemisphere they found land that was ready for farming To build this agricultural society they bought and sold slaves from Africa Through the detailed text contemporary and historical images and informative sidebars readers get a sense of how complex and dangerous the transatlantic slave trade was in the early years of New World exploration Powerful quotes from primary sources and scholars bring this painful period in America's past to life asking readers to think more critically about history

Black Cargoes Daniel P. Mannix, Malcolm Cowley, 2025-05-06 A carefully understated but chilling account of the whole 3 1 2 centuries during which 15 million Africans were snatched from their homes and delivered into slavery in the New World Time In 1518 the Atlantic slave trade began with the landing in the West Indies of the first enslaved people directly from Africa These were the victims of a forced migration that was more callous and immensely larger in the end than any other such movement of modern or ancient times Written in 1962 *Black Cargoes* attempts to tell where these exploited people came from how they were enslaved in Africa how they were purchased by sea captains how they were packed into the hold like merchandise although with greater losses in transit and how the survivors were sold in West Indian and American markets Author Daniel P Mannix brings the horrifying spectacle to life devoting attention to the engrossing and often fatal adventures of sea captains smugglers African agents and sailors But he

never wavers from delivering a clear and frightening record of man's ability to allow the lust for money to deaden his sensibilities *The Journal of African American History* Both fascinating and horrifying It embodies the most careful research and it also possesses literary charm Allan Nevins Pulitzer Prize winning author A sound book on a rich subject it is the long needed single volume covering all the salient angles of the evil old trade *The New York Times Book Review* It translates the slave trade from statistics and conclusions into the sum total of individual human experiences *Los Angeles Times* **The Slave Trade** Melody Herr,2009-07-01 Tells the history of black men and women around the world Examines the thriving culture with primary sources *The American Slave-Trade* John R. Spears,2018-03-12 First published in the year 1900 American journalist naval historian and author John R Spears book tells the story of American slave trading from its early beginnings in 1619 to its end with the hanging of the last slaver in 1862 In this carefully researched history Spears vividly recounts tales of the ship owners who crammed 500 or more human beings into holds so filthy that half of them died before the voyage ended and the captains who chained their human cargo to the anchor and threw them into the sea to avoid being taken with evidence There are chapters on the first slaver pirate to be executed in the United States the forming of the law that followed Amistad's voyage and the notion that a man may take another life if his liberty is at stake *The American Slave Trade* chronicles facts showing the gain involved and the dreams of a slave state the sham efforts as well as the authentic ones to stop slavery and exposes the fanatical bigots who they were and how they stood to profit Finally the book also details the facts relating to overcrowded ships and brutal masters in the odious traffic in African slaves **The Transatlantic Slave Trade** Duchess Harris,Marcia Amidon Lusted,2019-08-01 *The Transatlantic Slave Trade* looks at the history of the global trade that took millions of Africans captive and shipped them across the Atlantic Ocean to work as slaves and it explores the impact and legacy of that trade today Features include a timeline a glossary further readings websites source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO *The Slave Trade* Oliver Ransford,1971 **The Transatlantic Slave Trade** Richard Alexander,2015-12-15 Not all people who came to America from foreign countries did so seeking a better life Some came to this country as slaves The transatlantic slave trade brought Africans to America in chains for over two hundred years Readers learn important facts about the transatlantic slave trade which is an essential topic in social studies curricula Historical images and primary sources help give readers a sense of what happened to slaves on the journey to America as well as what happened once they were put to work in this country

Slave Trade Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Slave Trade PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Slave Trade PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Slave Trade free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Slave Trade Books

1. Where can I buy Slave Trade books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Slave Trade book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Slave Trade books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Slave Trade audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Slave Trade books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
