Slaves Of The White God Blacks In Mexico 1570 1650:

Slaves of the White God Colin A. Palmer, 1976 *Urban Slavery in Colonial Mexico* Pablo Miguel Sierra Silva, 2018-04-05

Using the city of Puebla de los Angeles the second largest urban center in colonial Mexico viceroyalty of New Spain Pablo Miguel Sierra Silva investigates Spaniards' imposition of slavery on Africans Asians and their families He analyzes the experiences of these slaves in four distinct urban settings the marketplace the convent the textile mill and the elite residence In so doing *Urban Slavery in Colonial Mexico* advances a new understanding of how when and why transatlantic and transpacific merchant networks converged in Central Mexico during the seventeenth century As a social and cultural history it also addresses how enslaved people formed social networks to contest their bondage Sierra Silva challenges readers to understand the everyday nature of urban slavery and engages the rich Spanish and indigenous history of the Puebla region while intertwining it with African diaspora studies **City Indians in Spain's American Empire** Dana Velasco

Murillo, Mark Lentz, Margarita R Ochoa, 2013-11-01 An important but understudied segment of colonial society urban Indians composed a majority of the population of Spanish America's most important cities This title brings together the work of scholars of urban Indians of colonial Latin America **Crítica de la razón negra** Achille Mbembe, 2016-03 Tres momentos marcan la biografía de este vertiginoso ensamblaje El primero es el despojo llevado a cabo durante la trata atlántica entre los siglos XV y XIX cuando hombres y mujeres originarios de África son transformados en hombres objetos hombres mercancías y hombres monedas de cambio Prisioneros en el calabozo de las apariencias a partir de ese instante pasan a pertenecer a otros Víctimas de un trato hostil pierden su nombre y su lengua continúan siendo sujetos activos pese a que su vida y su trabajo pertenecen a aquellos con quienes están condenados a vivir sin poder entablar relaciones humanas El segundo momento corresponde al nacimiento de la escritura y comienza hacia finales del siglo XVIII cuando a través de sus propias huellas los Negros estos seres cooptados por otros comienzan a articular un lenguaje propio y son capaces de reivindicarse como sujetos plenos en el mundo viviente Marcado por innumerables revueltas de esclavos y la independencia de Haití en 1804 los combates por la abolición de la trata las descolonizaciones africanas y las luchas por los derechos civiles en los Estados Unidos este periodo se completa con el desmantelamiento del apartheid durante los años finales del siglo XX El tercer momento a comienzos del siglo XXI es el de la expansión planetaria de los mercados la privatización del mundo bajo la guía del neoliberalismo y la imbricación creciente entre la economía financiera el complejo post imperial y las tecnologías electrónicas y digitales Por primera vez en la historia de la humanidad la palabra Negro no remite solamente a la condición que se les impuso a las personas de origen africano durante el primer capitalismo depredaciones de distinta índole desposesión de todo poder de autodeterminación y sobre todo del futuro y del tiempo esas dos matrices de lo posible Es esta nueva característica fungible esta solubilidad su institucionalización en tanto que nueva norma de existencia y su propagación al resto del planeta lo que llamamos el devenir negro del mundo Africa and the Americas Richard M. Juang, Noelle

Morrisette,2008-03-12 This encyclopedia explores the many long standing influences of Africa and people of African descent on the culture of the Americas while tracing the many ways in which the Americas remain closely interconnected with Africa Ranging from the 15th century to the present Africa and the Americas Culture Politics and History explores the many ways Africa and African peoples have shaped the cultural life of the Americas and how in turn life in the Americas reverberates in Africa This groundbreaking three volume encyclopedia offers hundreds of alphabetically organized entries on African history nations and peoples plus African influenced aspects of life in the Americas It also features authoritative introductory essays on history culture and religion demography international relations economics and trade and arts and literature In doing so it traces the complex and continuous movement of peoples of African descent to the West the mechanics and lingering effects of colonialism and the slave trade and the crucial issues of cultural retention and adaptation that are essential to our understanding of the effects of globalization The Human Tradition in the Black Atlantic, 1500-2000 Beatriz G.

Mamigonian,Karen Racine,2010 Like snapshots of everyday life in the past the compelling biographies in this book document the making of the Black Atlantic world since the sixteenth century from the point of view of those who were part of it Centering on the diaspora caused by the forced migration of Africans to Europe and across the Atlantic to the Americas the chapters explore the slave trade enslavement resistance adaptation cultural transformations and the quest for citizenship rights The variety of experiences constraints and choices depicted in the book and their changes across time and space defy the idea of a unified black experience At the same time it is clear that in the twentieth century black identity unified people of African descent who along with other minority groups struggled against colonialism and racism and presented alternatives to a version of modernity that excluded and alienated them Drawing on a rich array of little known documents the contributors reconstruct the lives and times of some well known characters along with ordinary people who rarely left written records and would otherwise have remained anonymous and unknown Contributions by Aaron P Althouse Alan Bloom Marcus J M de Carvalho Aisnara Perera D az Mar a de los ngeles Meri o Fuentes Fl vio dos Santos Gomes Hilary Jones Beatriz G

Mamigonian Charles Beatty Medina Richard Price Sally Price Cassandra Pybus Karen Racine Ty M Reese Jo o Jos Reis Lorna Biddle Rinear Meredith L Roman Maya Talmon Chvaicer and Jerome Teelucksingh *British Capitalism and Caribbean*

Slavery Barbara Lewis Solow,Stanley L. Engerman,2004-07-08 The proceedings of a conference on Caribbean slavery and British capitalism are recorded in this volume Convened in 1984 the conference considered the scholarship of Eric Williams his legacy in this field of historical research **Mexico, Slavery, Freedom** Pablo Miguel Sierra Silva,2024-03-20 Through

its rich and fascinating collection of documents Mexico Slavery Freedom offers a much needed window into Mexico s long history of slavery that will leave readers wanting to learn and discover more Sierra Silva brilliantly guides his readers through the maze of Mexican archival resources Through his careful content curation readers will discover how corruption and discrimination led to persistent enslavement of indigenous Mesoamerican and transpacific peoples despite royal orders

to abolish the practice The rich detailed packed introductions to the book in general and to each chapter are nonetheless succinct and to the point Sierra Silva s editorial approach proves that information and interpretative points are better served in small portions The documents themselves are the main course Sierra Silva also recognizes the importance of giving readers both English and Spanish versions of each document in the book These bilingual transcriptions make Mexico Slavery Freedom an equally valuable resource for course instruction in predominantly English speaking environments bilingual classrooms and Spanish centered courses Mariana Dantas Ohio University This is the first volume to provide in dual language format selections from primary texts related to the experiences of enslaved Africans Asians and their descendants in colonial Mexico

The Atlantic Slave Trade in World History Jeremy Black,2024-02-05 Now in its second edition The Atlantic Slave Trade in World History has been updated to include recent scholarship and an analysis of how debates have changed in light of recent key events such as the Black Lives Matter movement Primarily focused on the Atlantic Slave Trade this study places slavery within a broader world context and includes significant detailed coverage of Africa With a chronological approach it guides students through the origins of the Atlantic Slave Trade to its expansion and eventual abolition Its final chapters explore the legacy of the Atlantic Slave Trade by comparing it to other systems of slavery outside of the Atlantic region and analyze the persistence of modern day slavery As well as offering an analysis of historiography the updated bibliography and conclusion which considers the recent Black Lives Matter protests and their aftermath provide a fresh account of how slavery has shaped our understanding of the modern world Unmatched in its breadth of information chronological sweep and geographical coverage The Atlantic Slave Trade in World History is the most useful introductory resource for all students who study the Atlantic Slave Trade in a world context

Mexico: Volume 2, The Colonial Era Alan Knight,2002-10-07 This 2002 book the second in a three volume history of Mexico covers the period 1521 to 1821 Asian Slaves in Colonial Mexico Tatiana Seijas,2014-06-23 This book is a history of Asian slaves in colonial Mexico and their journey from bondage to freedom

History and Memory in African-American Culture Geneviève Fabre,Robert G. O'Meally,1994 The relation between history and memory has become an object of increasing attention among historians and literary critics Through a team of leading scholars this volume offers a complex picture of the dynamic ways in which an African American historical identity constantly invents and transmits itself in books art performance and oral documents

Blacks in Colonial Veracruz Patrick J. Carroll,2001-05-15 Beginning with the Spanish conquest Mexico has become a racially complex society intermixing Indian Spanish and African populations Questions of race and ethnicity have fueled much political and scholarly debate sometimes obscuring the experiences of particular groups especially blacks Blacks in Colonial Veracruz seeks to remedy this omission by studying the black experience in central Veracruz during virtually the entire colonial period The book probes the conditions that shaped the lives of inhabitants in Veracruz from the first European contact through the early formative period colonial years independence era and the postindependence decade While the

primary focus is on blacks Carroll relates their experience to that of Indians Spaniards and castas racially hybrid people to present a full picture of the interplay between local populations the physical setting and technological advances in the development of this important but little studied region **Reversing Sail** Michael A. Gomez, 2019-10-10 Captures the essential political cultural social and economic developments that shaped the black experience [The Atlantic Slave Trade](#) Jeremy Black, 2017-11-30 Covering the Atlantic slave trade from its origins to 1600 the essays in this collection look at the reasons for the causes of slavery and serfdom slavery in Africa the development of the slave trade the demographic situation in Latin America and European attitudes to slavery as an institution **Slavery and Antislavery in Spain's Atlantic Empire** Josep M. Fradera, Christopher Schmidt-Nowara, 2013-06-01 African slavery was pervasive in Spain's Atlantic empire yet remained in the margins of the imperial economy until the end of the eighteenth century when the plantation revolution in the Caribbean colonies put the slave traffic and the plantation at the center of colonial exploitation and conflict The international group of scholars brought together in this volume explain Spain's role as a colonial pioneer in the Atlantic world and its latecomer status as a slave trading plantation based empire These contributors map the broad contours and transformations of slave trafficking the plantation and antislavery in the Hispanic Atlantic while also delving into specific topics that include the institutional and economic foundations of colonial slavery the law and religion the influences of the Haitian Revolution and British abolitionism antislavery and proslavery movements in Spain race and citizenship and the business of the illegal slave trade *Slaves, Subjects, and Subversives* Jane Landers, Barry Robinson, 2006 A comprehensive study of African slavery in the colonies of Spain and Portugal in the New World [The Cambridge Economic History of Latin America: Volume 1, The Colonial Era and the Short Nineteenth Century](#) V. Bulmer-Thomas, John Coatsworth, Roberto Cortes-Conde, 2006 An indispensable reference work for anyone interested in Latin America's economic development

Open Wound William McKee Evans, 2010-10-01 In this boldly interpretive narrative William McKee Evans tells the story of America's paradox of democracy entangled with a centuries old system of racial oppression This racial system of interacting practices and ideas first justified black slavery then after the Civil War other forms of coerced black labor and today black poverty and unemployment At three historical moments a crisis in the larger society opened political space for idealists to challenge the racial system during the American Revolution then during the irrepressible conflict ending in the Civil War and finally during the Cold War and the colonial liberation movements Each challenge resulted in an historic advance But none swept clean Many African Americans remain segregated in jobless ghettos with dilapidated schools and dismal prospects in an increasingly polarized class society Evans sees a new crisis looming in a convergence of environmental disaster endless wars and economic collapse which may again open space for a challenge to the racial system African Americans with their memory of their centuries old struggle against oppressors appear uniquely placed to play a central role **The Leverage of Labor** Lolita Gutiérrez Brockington, 1989 This work is an ethnohistorical investigation of

the social and economic structure of the vast estates granted to the Cortés family in southern Mexico Lolita Gutiérrez Brockington deals with landholding patterns agricultural production and the social organization and use of native Indian and African slave labor on these estates thereby shedding a great deal of light on this little known early colonial period
